From a mountain peak, with the sun setting in the background,
Jesus casts away the devil, whose eyes roll back and falls amidst a hellish glow,
while Satan, the ancient serpent, already has entwined him between its coils – Mattia Preti.

The Last Battle

by **Dr. Franco Adessa**

Why does the last battle, that Our Lady is calling on us to fight, have as a battleground the chain of the Sibillini Mountains and the surrounding areas?

Why are these lands shaken by earthquakes, and churches destroyed? Why was the Basilica of the Patron of Europe, Saint Benedict of Norcia, razed to the ground?

Marco Ribechi writes, «Since ancient times, the Sibillini Mountains, **have been considered magical, mysterious, occultic, and considered a destination for secret pilgrimages and blasphemous meetings between sorcerers and demons.** A sanctuary for creatures that are midway between the mythological and diabolical.

Many names of places seem to confirm these legends: **Devil's Cave, Devil's Peak, the Pit of Hell, Hell's Gulch, Bad Pass, Lake Pilate, the Fairy Grotto or Cave of Sibyl.**

In 1420, **Antoine de La Sale** gathered information on a legend about a cave on Mount Sibilla in which one would be entering the realm of **the goddess of love. Necromancers, wizards, demons** would dwell on Mount Sibilla and in the cave. But nearby, there is a no less gloomy and enigmatic place: **Lake Pilate, at the foot of Pizzo del Diavolo, dominated by the peak of Mount Vettore.»**

Luigi Paolucci wrote, in his book "The Apennine Sibyl," «The oldest evidence related to our mountain, dates back to 1300. It concerns **Lake Pilate** where the fame of the enchanted waters populated by demons in the form of fish, draws the attention of **necromancers who flock there to consecrate magic books (grimoires)** as the most suitable venue where summoned spirits are ready to obey them in exchange for their soul.»

Marco Ribechi: «Right there on Lake Pilate – according to legend – **the demons that infest it, would require an annual human sacrifice.»**

Antoine de La Sale speaks of a strong reaction from the local people against the necromancers and a suspicious attitude towards foreign visitors. He tells of two men who were captured in the vicinity of the lake and then brutally killed. A priest dragged to Norcia there and burned at the stake, and his companion cut to pieces on the spot and thrown into the lake. Still **La Sale** collected testimonies of the locals who claimed that the necromantic practices had resulted in the unleashing of terrible storms. Conversely, in the sixteenth century, **Benvenuto Cellini**, in his autobiography, tells of a necromancer who would recommend Lake Norcia (Lake Pilate) as **the most suitable place to dedicate**

books to the devil, and that the residents were willing to collaborate in this practice. This apparent contradiction may be due to economic interests on the part of the locals. In those centuries, the lake was alternately called “Pilate’s” or “Sibyl.”

In the first case, the name, so evocative, brings back memories of the days when Rome was the capital of the ancient world. It handed down an ancient legend that the Emperor Vespasian, after having set fire to Jerusalem, summoned Pilate, an old man, accusing him of failing to prevent thirty-seven years before the crucifixion of **Christ the Redeemer**, at the time when he was Procurator of Judea. For this, Pilate was sentenced to death, but he was granted a last wish. The old Roman asked that his body be placed on a cart pulled by water buffalo and abandoned to fate. The request was granted, but the Emperor, intrigued by the unusual request, instructed soldiers to follow the wagon. The animals wandered up to the mountains of Norcia dragging the cart and, arriving on the shore of the small lake, hurled themselves and the cart they had dragged along with his body into the icy waters, reddening the waters (...)

The association of the Lake with Sibyl’s name, however, could be linked to the **prophetic powers that the place gave to wizards and sorcerers.** It was still again **Benvenuto Cellini** who confirmed that alchemy practiced in the Sibilla Mountains and near Lake Pilate **was intended to evoke the demons** that could point out treasures hidden underground.

The testimonies of an Observant Franciscan friar, **Bernardino Benavoglia**, were also reported that told of “**evil men**” who built “**altars with three circles**” and “**placed themselves as an offering in the third circle**”, **evoking the devil**, by reading his name from a book.

In classical antiquity, **Sibyl** was a woman, named after the daughter of Dardano and Neso, **who, inspired by the gods, gave responses and predictions**, writing them on leaves that were then piled up at random, so that it was very difficult to interpret. By prophetic virtues, the Sibyls were distinguished by the name of their country: **Persian** or **Chaldean**, **Libyan**, **Delphic**, **Samia**, to **Thesprotia**, **Samos**, the **Ellespontica** or **Gergitica** or **Trojan**, **Phrygia**, the **Albunea** or **Tiburtina**, the **Ephesia** or **Sardinians**, the **Rodia**, the **Egyptian**, **Eritrea**; the latter is often identified with the **Cumana** or **Italia**. It is said that the Sibyl Cumana, from Cuma had then moved to the Apennines, living in a cave on Mount Sibilla, where she had founded a kingdom where she was **Queen**.

Nicholas Peranzoni confirms this practice by writing: «**There are two circles with some characters engraved on the stones near the bank of the lake**», meanwhile, **Francesco Panfilo** speaks of the presence of an **internal circle** of which «**is pronounced: Tau, Erux and a different character, which indicate the names of the “Supreme God”**». For the principle of the inversion of the symbols used in black magic, the “**Supreme**

The peak of the Sibyl, on Mount Sibilla.

God” is represented by the most powerful demon, perhaps, **Lucifer**, himself.»

Antoine de la Sale, in his work “The Paradise of Queen Sibyl” (about 1420) writes that **Pope Innocent** (1352) and **Pope Urbino** (1362) had the **Cave of the Sibyl** destroyed to prevent access. The practice of erecting **gallows**,

at the steps of the passageway to Lake Pilate, appeared to have a prior date ... the motivation, however, is clear: **to discourage necromantic practices around the lake.**

Hence the origin of the names of places: **Forca di Presta** (Gallow’s Point) and **Forca Viola** (Purple Gallows) on the Mount Vettore.

The entrance to the cave of the Sibyl, near the peak of the Sibyl.

Lake Pilate, also called Sibyl Lake, a place chosen by necromancers, wizards and sorcerers, to summon the devil and consecrate spell books (grimoires – instructional textbooks on how to cast magic spells).

Marina Montesano, in her “...The Sacred to Norcia’s Caves” (National Institute of Medieval Studies, Ascoli Piceno 2003) reports how **Enea Silvio Piccolomini**, the future **Pope Pius II**, ... **said that he had heard of a convention of witches, demons and night shadows, as well as evocations of spirits who would teach the arts of magic.**

The presence of witches as well as necromancers in the Sibillini Mountains might be motivated by the consecration of the **“Lake of the Sibyl”** to the chthonic (subterranean or underworld) power of the prophetic in pagan legends. It was believed that **some of the “consecration” and “invocation” practices** could give the most lasting influence precisely thanks to the presence of one or more women.

In light of this, the **“stories”** heard by Piccolomini may be linked to **“Fates”** or **“handmaidens of the Sibyl”** that used to come down to Foce (a village located between the lake and the

cave) to dance with the local boys.

These “fairies” were beautiful from the waist up, but they had goat’s feet and this made it possible to easily recognize them. They could dance all night, but had to return to the underground kingdom, before dawn.

The dance of the “Fate” might be interpreted as a **Sabbath** or a **magical ritual of evocation**, thus giving greater substance to the presence of “witches” or “Fates” around Lake Pilate.

Another source of facts about the history and the mysteries of the chain of the Sibillini Mountains, is the “Cronologia storica della visita alla grotta della Sibilla” (“Historical Chronology of Visits to the Cave of the Sibyl”) which reads:

«The first information we have, in 69 A.D. is from Suetonius Vitellius when he states that **“a sacred vigil was celebrated on the mountain range of the Apennines.”** In 268 A.D., in “Scriptores Historiae Augustae,” Trebellius Pollio tells us that, in that year,

The shadow appeared on July 3, 2015 at 19:20, on Mount Regina Sibilla and photographed by three young Umbrian and given the name of “The Scream of Sibyl”.

Claudius II the Gothic relied on the responses of the prophesy of the Apennine Sibyl. (...)

In the period of 1320-1340, landslides occurred inside the cave, also caused by the earthquake of 1328, and **the cave was closed** to political-religious actions highlighted by the historian Falzetti (... **struggles between heretics and Dominicans; and Bulls and edicts of the Church to combat the heresy of the Templars, alchemists, spiritualists, Cathars, Patarines etc., who had taken refuge in the lands of the Sibyl.**)

In 1452, in a parchment (N. 40) found in the historical archives of the City of Montemonaco, there is a condemnation of Montemonaco, for the frequenting of **the Lake of the Sibyl** and the enigmatic **Sibyl cave** by knights who came from Spain and the Kingdom of Naples **to practice Alchemy**

and consecrate magical books “to lacum Sibyllae” (“to Sibyl Lake”) (which soon would be called “Lake Pilate”). In a trial, **the entire population and the authorities of the City of Montemonaco were excommunicated, and then acquitted, for helping foreign knights to reach the Lake and the Cave of the Sibyl (...)**

The year **1578** is the emblematic date engraved on the rock, near the collapsed hallway and is still visible today. The date is read, without too much difficulty even today, it is **1378**, but it is thought to be a conversion made in the seventeenth and eighteenth century when the number **five**, written in an Arabic number, becomes a **three**.

With this fancy conversion, **someone has probably wanted to connect the date of birth (in 1378) of the legendary Christian Rosenkreuz**

(Christian Rosacroce) as has also been recently suggested, to **the presence of the Rosicrucians in Sibyl's lands and their ideal link with the legendary grotto.**

Rose + crosses, carved on stone beams of windows and doorways, had been produced, up until the seventeenth century, in numerous villages along the whole Sibillini range.»

The aim of the Rosicrucian was recalled in an ultra-secret document, drawn up in the euphoria of the Italian Freemasonry – a lithographic volume, outside of commerce, destined for the High Administrative Degrees of the Institution, published in Florence in 1945.

Speaking of the “Birth of the Masonry”, the document says, «**The Rosicrucians, Giovanni Teofilo Desaguliers and James Anderson,** a Protestant minister and others, convened on June 24, 1717, in London with the members of the four lodges there that were active at that time. This meeting's objective was to found the Brotherhood of Free and Accepted Masons with the **Alchemical Society of Rosicrucians, to allow the Rosicrucians to secure their alchemical researches and their Gnostic and rationalistic ideas, under the guise of the respected Brotherhood,** and to secure the Free and Accepted Masons of the advantages that only the wealthy, influential and ambitious followers of the Rosicrucians could procure for them, given the real decline that threatened the primitive Brotherhood.»

Thus, Freemasonry was born on **June 24, 1717** from this compromise. We recall also that **the duty of the Rosicrucian Knight is to fight Catholicism** and its ultimate purpose is to **obliterate the Sacrifice of Christ on the Cross from the face of the earth.** In 1773, **Mayer Amschel Rothschild,** along with a dozen Jewish financiers,

his friends, began to plan to establish a world government to take possession of all the resources of the planet with the declared aim to decimate the world population.

A.M. Rothschild entrusted to **Adam Weishaupt** to create the **Satanic Order of the Illuminati of Bavaria** that, secretly, had to take over all the Masonic Lodges of the world.

The purpose and strategy of this world supreme direction is set out clearly by one of their leaders:

«Our ultimate aim is that of Voltaire and the French Revolution: that is, the complete annihilation of Catholicism and even of the Christian idea;»

«The best dagger to assassinate the Church and strike at the heart is corruption;»

«We have embarked on the largest corruption, corruption of the people through the clergy and clergy through us.»

To corrupt the clergy, however, **it was necessary that the Throne of Peter be occupied... by the Supreme Head of the Satanic Order of the Bavarian Illuminati!**

This new “Pope,” together with the **Head of the Rothschild family and Lucifer,** would form the “**triangle**” of the **Antichrist** and would know the deepest and closely guarded secret of the Hidden Heads of Freemasonry: **the Redemption of the Satanic Masonic Triple Trinity.**

The corrupting work of the Apennine Sibyl has increased significantly and required a change of name and place: the **Vatican “Sibyl”** and the **Vatican “Cave.”**

Finally, we report an incident that recently happened on the Sibillini Mountains. Three young Umbrians from the group “**The X Plan**” which has always been interested in the sto-

ries circulating about the presence of the famous Sibyl of the Sibillini Mountains, after “astrological and numerological calculations of the place,” from the results that they obtained, they decided that the best day to have a “sign” of the Sibyl would be July 3.

After reaching the Cave of the Sibyl, they continued up to Casale Lanza and, in this valley, with a clear cloudless sky, suddenly, out of nowhere, they saw, on the side of Mount Regina Sibilla, a figure that they consider to be that of the Sibyl in the act

of screaming. The image remained motionless for about **8 minutes**, then blended in with the surrounding light and the shadows.

The three young people believe that, with this “apparition,” the Sibyl wanted to convey the message of her presence and her suffering as an invitation to respect her natural realm.

Verified on the internet the uniqueness of this their testimony, they conclude: **«Our challenge is to figure out if one will experience the same phenomenon next year, on the same day and at the same time.»**

This is the map of the geographical area of the Sibillini Mountains that three young Umbrian published on the internet, after an excursion on Mount Sibilla, in early July 2015.

On July 3, at 19:20, **they photographed the giant shadow of a face that screams**, projected on Mount Regina Sibilla under the Pizzo della Regina, which they called **“The Scream of the Sibyl.”**

The interesting aspects of the lines drawn on this map are some reference points (landmarks) and the result which led to the formation of **three triangles intertwined** with each other, with special geometric characteristics.

I thank these three young people because, despite the uncertainty of the partial tracing of the **three triangles** and despite **their hypotheses about the reasons of Sibyl’s Scream**, they played a decisive role in fostering insights that led us to define **the awful Satanic reality imposed for centuries on the Sibillini Mountains.**

Grimoire: The Book of Shadows

The Grimoire, also known as “The Book of Shadows,” is a kind of magic “diary” where one writes down insights that may be of help to posterity one day.

The French, English and German origin of the word Grimoire include the terms: “**a book containing instructions,**” “**cruel, painful, savage,**” “**mystical teaching.**” The creation of a Grimoire requires the customization of the **first page** that is signed with one’s “**magic**” name and even better, it is preferred that it is decorated and edited by hand.

Among the most famous grimoires is the **Picatrix**, considered the most important magical manual of medieval times. In Andrea Pellegrino’s blog, on the subject of Picatrix, one reads:

«**The knowledge of Magic** is an infinite process, which is always increasing and has extraordinary and unlimited power. The emphasis is on the principle that, in the mind, there is a dark and forgotten side for **potentially exceptional initiatives, beyond the established order, activated and performed by spiritual acts which make the man the creator who joins his hidden heavenly energy powers with the power of the elements.** The man becomes a universe unto itself, a microcosm that can operate by combining the forces of nature and, in this way, **he can dominate and transform, at will, the natural course of men and matter.** He becomes the **Knower, the one who knows the energies of heaven, of water, of climates, the stars and their influ-**

ences, and subdues them with means such as rituals, prayers, talismans, or opposes them with their cunning and their knowledge.»

The grimoires include both High and White magic manuals, thus, they are positive, than that of the Low or Black Magic. The common element is the collection of useful insights, incantations, and prayers for different purposes.

Different categories of grimoires are recognized, depending on the characteristics. There are those that have been destroyed or dispersed for various reasons, in some cases, because they were considered too dangerous. There were others that seem to have existed, but, there is not enough evidence to prove it; grimoires that exist, but are hidden or that were censored; grimoires of common people interested in magic, witchcraft or different types of esoteric practices.

Covers of some of the most famous grimoires. It is interesting to note that in many cases, such as those illustrated, the two most frequently used elements for the cover are: The 5-pointed star, with the tip pointing upwards, symbolizing the Man-God of Freemasonry and the Head of the Goat which symbolizes the Baphomet, the god of Freemasonry.

A photograph of the Sibillini Mountains which has helped us to discover the ancient and terrible secret that is hidden in these beautiful mountains.

The Secret of the Sibillini Mountains

Historically, **Redeemer's Summit** was called "**Vettore**", as it was the most visible peak of the group, although it was 28 meters lower. While **Redeemer's Summit** clearly expresses the significance of **Christ's Redemption on the Cross**, **Mount Vettore** hides the terrible secret of Satanic symbolism of the **redemption of Lucifer**.

Since 2006, our magazine "Chiesa viva" has denounced the presence of the redemption of Lucifer and the Satanic and blasphemous **Masonic Triple Trinity**, in the **Satanic Temple dedicated to St. Padre Pio**, on the **tomb of the mother of Paul VI**, in the **Satanic Temple of Padergnone** (Brescia,) on the **liturgical insignia and**

the coat of arms of Pope Benedict XVI and more recently, on the **Logo of Mercy**, on the **Logo Mater Misericordiae** and the altered **Miraculous Medal** Our Lady gave us, in 1830 in Paris.

The Redemption of the Satanic **Triple Trinity** is the deepest and closely guarded secret of the Secret Heads of Freemasonry world-wide; a terrible secret that has found on the Sibillini Mountains, the favourable references to be imprinted on these beautiful mountains.

This Satanic redemption, like a cancer not known to exist, but whose effects are felt, **is the occult center of the mystery that has plagued these lands for centuries.**

1st Satanic Trinity

The impious man wicked rebel against God,

symbolized by the number 6;

he is the Mason of the **1st** degree of the

Ancient and Accepted Scottish Rite.

This Trinity is symbolized by the three vertices of the green triangle,

whose tip symbolizes Fire:

the “Fire” of the spirit of rebellion against God.

2nd Satanic Trinity

The Man-God

of the **15th** degree of the Ancient and Accepted Scottish Rite,

symbolized by the number **15** and the **3 elements:**

5-pointed Star

(Obtained from the **3** vertices of the green triangle

plus the **2** sexes of the Deity),

6-pointed star and **Central point** or Satanic Holy Spirit representing

the Spirit of negation of the Supernatural

that forms the **“Jewish Soul.”**

3rd Satanic Trinity

The Antichrist

(**Lucifer, Emperor of the World and Patriarch of the World**),

symbolized by the **3 sides** of the **Inverted Triangle**

The **yellow circle** in the center is called **“All-seeing eye of Lucifer”**

or **Infinite Sun of Lucifer** characterized by **7 times 666**

symbolizing the **spirit of Lucifer** which means:

the Total elimination of the Sacrifice of Christ on the Cross

from the face of the earth.

The **3 vertices, 3 elements** and **3 sides**

of the three Trinities described above can be symbolized by

a set of 3 triangles.

THE SATANIC TRIPLE TRINITY on Mount Vettore

Here is the terrible secret that, for centuries, has been imposed on the chain of the Sibillini Mountains: **the redemption of Lucifer: the blasphemous and Satanic Masonic Triple Trinity.**

Referring to the two previous pages, the **Triple Trinity imprinted on Mount Vettore** and the surrounding area, is symbolized by **three triangles** that stand side by side on the eastern side of this mountain.

1st Trinity: A face with eyes, nose and arms outstretched on the big green mountain triangle symbolizing Mankind, represents **Freemasonry that recruits people animated by a spirit of rebellion against God**, for initiating them into the 1st degree of Ancient and Accepted Scottish Rite. Thus, the green triangle, placed on the head of the figure with the face, constitutes the **1st Satanic Masonic Trinity.**

The secret of **Lake Pilate** lies hidden in the name of the **man who put the Redeemer, Jesus, to death**, and in its goggle-shaped form and the fact that **the three circles**, of body of water, symbolizing the **three Satanic spirits** of the **Triple Trinity**, and which are at the same altitude as the Summit “**O**” of the triangle that represents the **1st Satanic Trinity**. Note, also, the perfect alignment of: the higher summit “**O**” of the Triangle of the 1st Trinity, **Pizzo Pretare** (2,281), **Mount Vettore** (2,476), **Lake Pilate** (1,950), **Pizzo del Diavolo** (2,410) and the straight line joining them which passes not far from **Cima del Redentore** (2,448). The contrast between the Redemption of the Sacrifice of Christ on the Cross and that of the Satanic Triple Trinity appears in all its evidence. In this Triple Trinity, which represents the deification of Man, **Satan presents himself as the “Redeemer of Man.”**

The summit “**O**” of this triangle is perfectly aligned to the upper vertices of the other triangles and is at the same altitude of Lake Pilate that, in its periods of scarcity or abundance of water, looks like **3 “nearly circular shapes”** in different sizes. These **3 “circles”** symbolize the **3 spirits** of the Satanic Triple Trinity and the smallest of them represents the red circle of “**fire**” of the **1st Trinity**.

2nd Trinity: It is represented by the **red Triangle** with the summit’s altitude at 2,281, symbolizing the **5-pointed star**; the angle above it, also traced in red, representing the **6-pointed Star**; and the **middle circle** of the three “nearly circular shapes” of Lake Pilate, symbolizing the **Central Point** of the **Satanic Holy Spirit** and namely, the denial of the super-

natural which, with the 6-pointed star, form the **Jewish Soul**.

3rd Trinity: It is represented by the **golden Triangle** with its vertex at an altitude of 2,476, the summit of Mount Vettore. The Triangle symbolizes the three persons of the Antichrist: **Lucifer**, the **Emperor of the World** and the **Patriarch of the World** or the corresponding figures in the Apocalypse of St. John.

The **All-seeing eye of Lucifer** is represented by the largest of the three “nearly circular shape” of Lake Pilate, whose goggle-shape “suggests” the presence of an eye.

This Triple Trinity represents the **Deification of Man** where **Lucifer** presents himself as the “**Redeemer of Man.**”

THE SATANIC TRIPLE TRINITY on the Sibillini Mountains

With reference to the geometric construction, illustrated on the next page, we describe the process used to track this horrible reality on the Sibillini Mountains.

The starting point is the **Top of Monte Vettore (V)**, the summit of triangle of the Third Trinity of the Triple Trinity already described.

Join **V** with **G**, the entry point the **Grotta della Sibilla** (Sibyl's Cave).

From **G** we draw a line passing through **O**, **Cima Vallelunga** and another line passing through **P**, **Cima Monte Porche**; the two straight lines intersect, at points **R** and **E**, the horizontal line (West-East) passing through the **Cima Monte della Croce** (1,580 m). Note that this altitude is a number which contains the secret of the Triple Trinity: it is obtained by taking two digits at a time:

6 = 1 + 5 = the **Wicked**;

15 = the **Man-God**;

18 = 6 + 6 + 6 = 666 = the **Antichrist**.

The horizontal line intersects the line VG at point **B**.

From the Top of **Mount Priora** or **Pizzo della Regina (A)** draw a vertical straight line passing through the Cima Vallelunga (**O**) and intersects the horizontal line RB at the point **H**. We find that the segment HB = EH and EB = RE.

We draw the lines **AB** and **AE** and straight lines **BC** and **ED** with an angle of 36° with respect to the horizontal line passing through **Passo Cattivo** (Bad Pass); this intersects the straight line at a 36° degree at the points **C** and **D**, completing the repre-

sentation of the **5-pointed Star**.
Result:

1st Trinity: the **EBO** triangle with its vertex **O** = **Fire** (red circle).

2nd Trinity: the **5-pointed Star ABCDE** and the **Central point O** (white circle). The 6-pointed Star does not appear because the AEB and ABE angles are not 72°, as shown in the figure on p. 14, in which the axes of the 5 and 6 pointed stars do not coincide, but are 73.9°. This means that the 5-pointed star rests its lower points not on B and C, but on **D** and **E** (see p. 14).

This “deformation” of the 5-pointed Star makes the 5 and 6 pointed stars axes to coincide, making a 6-pointed star view unnecessary. Thus, the 5-pointed star, with geometric angles of 73.9°, symbolizes **the deification of Matter and of Lucifer** who presents himself as the “**Deification of Nature.**”

3rd Trinity: It is symbolized by the Triangle **DCL** of the **Antichrist**, formed by **Lucifer**, the **Emperor and the World**, and the **Patriarch of the World** with the **All-seeing Eye of Lucifer** at center **O** (yellow circle).

Note that the gold inverted triangle, of the Antichrist, contains the Peak of the Sibyl, the Cave of Sibyl, the Bad Pass, the Peak of the Bad Pass.

Above this triangle the **Pizzo della Regina**, which is the summit of **Mount Regina Sibilla**, **Queen and “Mother of the Redeemer.”**

Here are the lines traced in the Sibillian Mountains that form the blasphemous and Satanic Masonic **Triple Trinit**y, in the representation of the **Deification of Matter**, in which Lucifer is presented as **“Deified Nature”** by promoting the **Cult of the Phallus** and every kind of sexual **perversion** for the corruption of the body. The contrast between the Redemption of the Sacrifice of Christ on the Cross and redemption of the Triple Trinit is shown with in **Monte della Croce**, (Mountain of the Cross), not only with the numerals of its altitude (1,580), but also because **the “cross”, without Christ crucified, is a masonic phallic symbol**. Another symbol of the brutishness of unclean instincts is the No. 5 of 5-pointed star, with the two points facing upwards, which is obtained, 3 times, with the **5 letters** of the three words: **Monte della Croce**.

The Scream of the Sibyl?

The panorama of the majestic peak of **Mount Priora** or **Pizzo della Regina** which, with its 2,332 m, is the third highest peak after the **Redeemer Summit** and that of **Mount Vettore**. The towering pyramidal Summit of **Pizzo Berro**, left, is his loyal personal guard. Mount Priora is somewhat isolated from the rest of the mountains, having the **Gola dell’Infernaccio** (Gorge of Hell), in Val Tenna, which separates it from its neighbor, **Mount Sibilla**. This mountain, which was originally called “**Mountain of the Prior**”, owes its name to the fact that its pastures were owned by the Hermitage of San Leonardo, governed since its foundation by a Prior. One might ask why the “**Mountain of the Prior**” was changed to “**Monte Priora**” (Mount Prioress) and not to “**Monte Priore**” (Mount Prior)? It seems that the meaning of “prior” as “the superior of a community of monks”, it was decided to be changed to “**Prioress,**” which is a “title of dignity with jurisdiction” and namely it was changed from Monte del Priore to Monte Priora, also called **Monte Regina Sibilla** (Mount Queen Sibyl).

These are excerpts of an article sent to me by **Luciano Garolfi**, and published in “Blondet and Friends,” on November 8, 2016.

«On the day of July 3, 2015, some Umbrian boys, who founded the group “The X Plan,” witnessed a unique phenomenon. On the **Pizzo della Regina**, that is the summit of **Mount Regina Sibyl**, one of the Sibillini mountains, **there suddenly appeared a giant shadow of a screaming woman. It was a very**

disturbing vision that remained superimposed on the mountain for 8 minutes.

The discovery of this image came after the three boys had run complicated astronomical and numerological calculations (...)

We add that, in the Gospel, very often, the faithful is invited to consider, very carefully, the “signs” that God gives us to warn and remind us that He is Lord of heaven and earth, or make us realize that the

Photography of “**The Scream of the Sibyl,**” which appeared on Mount Priora or Monte Regina Sibilla. The photo was taken on July 3, 2015, at 19:20 hours.

The shadow seems to be that of a wild beast launching a scream of pain. The figure has something savage, bestial, demonic. The shadow, however, conceals the simple lines that seem to form a cross.

Highlighting these clear lines, there appears not a “cross,” but a **stylized “Crucifix”**. Note the inclined top part of the Cross, a symbol of Christ’s head, the arms, the bent shape of the legs and feet.

Starting from point **A**, vertically aligned with the center of the Crucifix, by following the ridge descending to point **B** and proceeding horizontally (along the line of separation between rock and grass) to point **C**, a triangle appears dominated by the shadow of the “wounded beast” and by the symbol of **Christ’s Redemption on the cross**.

times are now ripe, so that certain events come to fruition (...) It is true that this shadow, which appears on the side of a mountain, could surely be the result of some kind of natural and physical phenomenon, **but it is also true that, as stated by the authors of the photos, on that day there were no clouds to create the material possibility of a projection of a shadow over Mount Priora (...)**

A legend tells that the **Sibyl was convinced that she was to be the mother of the Redeemer of Mankind**, but when, through a series of visions, she learned that she would not be the chosen one, she decided that... her mission was terminated. Accompanied by her assistants, she withdrew to the Sibillini Mountains, settling in a cave hide-out on the mountain which would later bear her name...»

The image of the shadow cast on the mountain is more than a woman’s head. Even with the rocks along the neck, it looks like **a human figure that has something savage, beastly, if not demonic about it**, the figure of **a ferocious beast that launches a scream, after being hit**.

The figure, however, completely obscures some whitish lines which, after having been highlighted in bright white, show not a cross, but a **stylized Crucifix**.

One can see the tilted vertical support, as the head of Christ dying on the cross, the shape of the arms, torso, legs slightly bent, feet and a vertical section of the lower support of the cross.

Why does a crucifix appear under this shadow?

THE SATANIC TRIPLE TRINITY on Mount Regina Sibilla

On the right side of the **Monte Regina Sibilla**, the triangle **ABC** (with **C** hidden from the mountain in front) can be seen, in part, with a top angle **A** much narrower than the previous page, because the point of observation is no longer frontal, but lateral to the vertical axis of the triangle.

In the middle of the triangle, in a nearly invisible square, a **cross** appears that, from this angle, seems to have regular and non-shaped arms as seen on page 21. At the top of the triangle, you can see two triangles: the one (**AEF**) that almost entirely covers the upper part of the triangle **ABC**; the other (**MNO**) in the off-white background, which is contained in the previous triangle, but a bit smaller and shifted slightly to the right.

The redemption of the blasphemous and Satanic **Masonic Triple Trinity** also appears on the eastern slope of the **Monte Regina Sbilla**, right across from the **Monte della Sibilla**.

This representation has been difficult to discover not only due to the vastness of the area concerned, but especially for the need for many photographs, taken at different angles and with different brightness, to be able to highlight certain forms present on this side of the mountain.

The starting point is an enormous isosceles triangle, shown on page 22 which includes the Crucifix.

Note that, while the photograph on page 22 shows a very large relatively squat triangle and a crucifix with all its stylized forms, Figure 1 shows the same triangle that seems much more narrow and high, while, at the center, there seems to be only a simple cross with equal arms. This is due to the different angle of observation point of the studied area.

As in the photograph of Mount Vetore, p. 12, there is a vast grassy triangle between the arms of the figure with the face, eyes and nose, even here the triangle **ABC** appears as a battlefield between the two redemptions, from which the rebellious spirits against God are taken to form the **1st Satanic Trinity**.

At the top of the triangle **ABC**, there is an area characterized by lines, dark spots and whitish areas that give shape to 2 triangles with distinct characteristics.

In Figure 2, we have highlighted the points that detect the vertices of two triangles and we reported the presence of 3 dark areas; the first two, straddle segment **AE** of the larger triangle; the third is shaped like an eye over a triangular whitish **Cap**.

In Figure 3, we have drawn, in red, the triangle **AEF** whose side **AE** seems to symmetrically split the figure of a man recognizable from gray

Figure 2

Notice the **two dark spots** associated with the **AE** side of the triangle **AEF** and the **dark spot** in the shape of an eye, of the whitish triangle **MNO** and its central position in the triangle **AEF**.

lines that seem to outline the legs, torso, arms and head. This triangle represents the **Man-God**, characterized by the 5-pointed star that is formed by three vertices of the triangle **AEF** with the **2** sexes of the deity, represented by the two dark spots straddling the AE side of the triangle.

In Figure 4, we plotted in gold, the **MNO** triangle representing the Triangle of the **Antichrist**, which also features the **All-seeing eye of Lucifer**, or the **Infinite Sun of Lucifer**, symbolized by the dark spot in the shape of an eye, present in this triangle and centrally located in the triangle **AEF**.

The **Triangle of the 2nd Trinity** with symbolizes the **Man-God** of Freemasonry.

The **Triangle of the 3rd Trinity**, that symbolizes the **Antichrist**, contains a dark spot that looks like an eye and a letter "**A**" (does it suggest the word Antichrist?) inside to this Triangle.

The Triangle ADE completed by side DE, that rests on the head of the shadow that appeared on the mountain is the Triangle of the **1st Trinity**, which symbolizes the “**man who rebels against God**” of Masonry.

Figure 5

The Antichrist is symbolized as well by the numbers: **5, 6, 7**. The central gold Triangle, representing the Antichrist, is located on **Monte Regina Sibilla** whose letters form the numbers: **5, 6, 7**.

Pizzo della Regina

This **Triple Trinity** represents the **Divinization of Lucifer** and the **Cult of Lucifer** for the corruption of the Spirit. The three Triangles, almost concentric, have a central “circle”: the **All-seeing Eye of Lucifer** or better the **Infinite Sun of Lucifer**, that has the meaning of **Total elimination of the Sacrifice of Christ on the Cross from the face of the earth**.

Here is a clear representation of the **Last Battle**: the clash between the **Redemption of the Sacrifice of Christ on the Cross** and the **redemption of the Satanic Triple Trinity**, enclosed in a huge triangle that symbolizes Humanity. Satan as the “son” of Queen Sibyl, crowns himself “**king of the universe**” with the symbols of his redemption. Was the day of the raging scream of “Sibyl” perhaps “**a sign from God**” to let us know about the timing of his intervention on Earth?

Now, this Satanic Triple Trinity is clear:

1st Satanic Trinity

The **Triangle ADE**

The rebellious part of Humanity against God, which represents **the Wicked**.

2nd Satanic Trinity

The **Triangle AEF** (see p. 25),

contained in the previous triangle, which represents **the Man-God**.

3rd Satanic Trinity

The **Triangle MNO** (see p. 25),

inside the other two triangles, represents **the Antichrist**.

The three triangles, one inside the other, form a **crown that is placed on the head of the screaming shadow**.

It is now easy to understand that **this screaming shadow is the divinized Lucifer who presents himself as the “king of the universe.”**

THE THREE TRIPLE TRINITIES

Why have the **three Triple Trinities** been imprinted on the Sibillini Mountains?
In the same way as the Satanic Temple dedicated to St. Padre Pio, these three Satanic Triple Trinities have the meaning of **deification of Nature, Man and Lucifer.**

1st TRIPLE TRINITY

– **Deification of Nature** –

This **Triple Trinity**, imprinted on the geographic area of the **Sibillini Mountains**, symbolizes the **deification of Matter** in which Satan presents himself as **“DIVINIZED NATURE”**.

2nd TRIPLE TRINITY

– **Deification of Man** –

This **Triple Trinity**, imprinted on the eastern side of Mount Vettore and Lake Pilate, symbolizes the **deification of man**, the **“Man-God” of Freemasonry**, in which Satan presents himself as **“REDEEMER OF MAN”**.

3rd TRIPLE TRINITY

– **Deification of Lucifer** –

This **Triple Trinity**, imprinted on **Mount Queen Sibyl** and represented by the three triangles one inside the other forming a “crown” laid on Satan’s head, symbolizes the **deification of Lucifer** in which Satan presents himself as **“KING OF THE UNIVERSE”**.

And what can be the reason for this scream?

Satan knows the words of **Our Lady of La Salette**: **«Behold the Beast with his subjects, who claims to be the SAVIOR OF THE WORLD. Exalted by pride, rises in the air ... but will fall and cast, forever with all his own, into the eternal abyss of Hell.»** Satan knows his fate, as well as the Gospel of St. John, and he has been the first to hear about the day that he will begin to fall.

And comprehending the meaning of the “sign” that God has sent to Mankind to prepare for His intervention, **Satan will launch a demon-**

ic scream and his fierce image of wounded beast, projected on the Monte Regina Sibilla bearing his symbols of king of the universe, will serve to warn Humanity to be ready, because **THE LAST BATTLE IS AN INVITATION TO MILLIONS AND MILLIONS OF SOULS TO CHOOSE THE REDEMPTION OF CHRIST ON THE CROSS, not to fall, suddenly, into hell without even having time to Make the Sign of the Cross.**

Was it then the scream of the Sibyl, Queen, “Mother of the redeemer” and “king of the universe” Lucifer, or was it...

the furious scream of Satan,
for having known the day
of God’s intervention?

THE SCREAM OF SATAN

– A “Sign” willed by God? –

From the photographers of the image that appeared on the southern slope of Mount Queen Sibyl, of the Sibillini Mountains, I received confirmation that this photograph was taken on **July 3, 2015**, at **19:20** hours. In the image, there are highlighted symbols of the **Redemption of Christ on the Cross** and those of the blasphemous and Satanic **Masonic Triple Trinity**, with which Satan “crowns” himself as the “**king of the universe.**”

Why was this shadow projected on Mount Regina Sibilla on the evening of **July 3, 2015**? Why was that face looking like something savage, bestial, demonic, **almost like a wild beast that screams after being struck?**

Why was the figure located at **this particular point of the mountain** and why had it appeared on **that date**? Why did this ferocious face **have a size and position** such as to relate precisely with the triangles we traced on the mountain?

Why had the shadow appeared on that day, hour and minute and remained projected for **8 minutes**, before dispersing and disappearing?

It occurred at **19:20 on July 3, 2015**; the sky was perfectly serene, cloudless, and in the absence of any natural phenomenon that could have produced a shadow on the southern slope of Mount Regina Sibilla.

Although inexplicable from the natural point of view, this phenomenon manifested itself and the year, month, day, hour, minute and duration was recorded with a great deal of photography.

Therefore, we must ask: **who wanted** the projection of that figure on that spot of the mountain, at that particular time, and for that length of time?

What is the reason and purpose for this phenomenon of this demonic shadow **that manifested itself in such a manner which excludes its origins as deriving from a natural phenomenon?**

There are only two possibilities: the preternatural or supernatural origin.

Since, however, Satan, **“murderer from the beginning”** and **“father of lies”**, would he be concerned with warning and enlightening men about his **plans of the moral and physical destruction of Humanity**, when he hides these same plans from the members of his court, namely Satanic men, his collaborators in the dragging of millions and millions of souls to Hell? It would seem, then, that **the appearance of this disturbing shadow**, projected on Mount Regina Sibilla, **must necessarily have a supernatural origin; that is, a reality that has been willed by God.**

And why was this **“willed by God;”** why that **“shape;”** why at that **“moment;”** why during this **“historical period”** of Mankind?

We know that God rebukes and chastens those He loves, men who want to

repent, the souls who want to be saved and to do this He **“knocks on the door”**, gives us the **“signs”**, punishes us, and if we do not recognize the Arm that hit us, He returns to hit a second, a third, a fourth time ...

Moreover, **when God gives us “signs,” it is to warn us of the existence of a danger to our souls**, and these **“signs”** always conform to Biblical admonitions and messages of Divine origin sent to us previously, and that have been officially recognized by the Church.

First of all, we must ask ourselves: What consequence did **the projection of this image** on Mount Regina Sibilla bear and what message has been transmitted by the **“date”** and the **“duration”** of this ominous form?

We can easily say that without this screaming face, we would never have been able to locate in the blasphemous Satanic **Masonic Triple Trinity**, imprinted on this mountain, nor could we have discovered the stylized Crucifix, placed right on the throat of that horrible figure.

For the meanings that are expressed by the **date** and **duration**, one could respond that they are expressed by numbers, and **numbers in the Bible have specific meanings** and are easily decipherable.

But a correct interpretation of the **“sign”** that God has given us must first begin by understanding the **“historical period”** in which we live and the contrasts that characterize it and agitate it, especially because **this is a unique period in human history**; a period, that is, which has never occurred in the past and will never be repeated again until the end of the world.

I had lived for about 25 years, as a close and unique collaborator of **Fr. Luigi Villa**, the priest instructed by

In 1773, **M.A. Rothschild**, on the subject of the World Government, proposed to “launch an arms race so that Christians can destroy each other, but on such a colossal scale that, in the end, only the masses of the proletariat in the world will remain, and only a few millionaires devoted to our cause ... and police and military forces sufficient to protect our interests.”
In **Revelation**, the Angel, on the subject of the traitors of Christ who collaborate with the enemies of his Church, says: **«And the ten horns which you saw in the beast: these shall hate the harlot, and shall make her desolate and naked, and shall eat her flesh, and shall burn her with fire.»!**

Padre Pio in 1956 to devote his whole life to defend the Church of Christ from the work of Ecclesiastical Masonry. In other words, relating to the period in which we live, this assignment, also called “**The Mission of Padre Pio,**” made Fr. Villa the author of the **First Bowl of the Wrath of God. The purpose of this bowl was the unmasking of the traitors at the top of the Church,** particularly **Paul VI** who, with a fraudulent election, which took place under the

threat of an immediate persecution of the Church, made by members of the High Jewish Masonry of B’nai B’rith, **would have started, on June 29, 1963, the Seventh Seal, namely the Kingdom of Antichrist.**

Paul VI was an anti-pope, because in 1958, **Card. Giuseppe Siri** was elected Pope, taking the name of **Gregory XVII** and was again re-elected in the conclave of 1963, but then replaced, by the imposition to elect Pope **Card. Giambattista Montini.**

Fr. Villa was aware of the true nature of the assignment he had received from Padre Pio and from the early days of my association, he tried to encourage and stimulate my interest in **the terrifying content of Seven Bowls of the Wrath of God and**, gradually and with a method that obtained good results, he tried to get me to deepen the studies that were to lead to the discovery of the deepest and most closely guarded secret of the **Secret Heads of Freemasonry: the blasphemous and Satanic Masonic Triple Trinity.**

This was the key **to unlocking the deepest mysteries that were hidden among Church leaders** and to expose the occult symbolism that represented the true ultimate purpose of Freemasonry and the Antichrist: **the total elimination of the Sacrifice of Christ on the Cross from the face of the earth.**

This aim, however, must be achieved at the same time in which the **process of building up a world government reaches its final and destructive phase.**

The top of the Freemasonry world's power is made of the **Antichrist**, formed by Lucifer, the head of the Rothschild family and the Head of the Supreme Order of the Bavarian Illuminati, which was founded by Mayer Amschel Rothschild, founder of the family that bear this name.

It is to the top of the Illuminati and its creator that we must tap into in order to know the strategy of the secret plan concerning the World Government and the Catholic Church.

M.A. Rothschild, in a meeting in 1773, with a dozen Jewish bankers, expounded the aims of its proposal for the creation of a **World Government: «The true NAME OF GOD will be deleted from the lexicon of life»** and ... **«... (we will) launch an**

Albert Pike.

Head of the Illuminati (called the Devil of the 19th century) reformed the Black Mass and with Mazzini, engineered the three World Wars of the 20th Century and he created the New Reformed Palladian Rite **to destroy the spiritual power of the Church.**

arms race so that Christians can destroy each other, but on such a colossal scale that, in the end, only-masses of the proletariat will remain in the world, with only a few millionaires devoted to our cause ... and police and military forces sufficient to protect our interests.»

Adam Weishaupt, founder of the Order of the Bavarian Illuminati, **after preaching the need to destroy every Religion, and with it, the State and all authorities**, in this way, **presented the eighth and final secret of his Kingdom of freedom and equality: «Abandon your city, your villages, burn your homes. Under the Patriarchal life, men were equal and free, and they also lived everywhere. Your homeland is the World. Appreciate equality and freedom,**

Giuseppe Mazzini.

Deputy of Palmerston, Mazzini headed the Mafia, and The Supreme Lodge of Illuminati in Paris. He was the creator of the **New Reformed Palladian Rite** and, as a deputy to Albert Pike, **planned with him the three World Wars of the 20th century.**

and you shall not fear watching the burning of Rome, Vienna, Paris, London and those villages that you call your homeland.»

Nubius, the second Supreme Head of the Bavarian Illuminati, defined the Order's ultimate goal in this way: **«Our ultimate aim is that of Voltaire and the French Revolution: that is, the complete annihilation of Catholicism and even of the Christian idea.»**

Albert Pike and **Giuseppe Mazzini**, the Supreme and Deputy Head of the Order of the Bavarian Illuminati, respectively, in an exchange of letters from 1870-71, planned three World Wars of the 20th century. A. Pike, in a letter dated 1871, detailing the aims of the Third World War stated: **«We**

shall unleash the Nihilists and the atheists, and we shall provoke a formidable social cataclysm which in all its horror will show clearly to the nations the effect of absolute atheism, origin of savagery and of the bloodiest turmoil. Then everywhere, the citizens, obliged to defend themselves against the world minority of revolutionaries...will receive the TRUE LIGHT through the universal manifestation of the PURE DOCTRINE OF LUCIFER, brought finally out in the public view; a manifestation which will be followed by the destruction of Christianity and atheism, both conquered and crushed at the same time.»

The **World Government**, therefore, is not intended as a supranational institution that harmoniously regulates the Nations and life on the planet to have peace, but quite the opposite: "to erase the true name of God," "depopulate the planet," "destroy Christian nations, their cities and their countries and return to the savage life," "to annihilate Catholicism and the Christian idea," "show the world, in all its horror, the effect of absolute atheism," "manifest the light of the true doctrine of Lucifer which will follow the destruction of Christianity."

As shown, the **World Government** is indistinguishable from the idea of hatred for God and destruction of Catholicism. **World Government and destruction of the Church of Christ are, thus, two sides of the same coin;** they are two goals that must proceed in parallel and reach the final aim together which will be the day when the people will receive **«the light of the true doctrine of Lucifer»** that will be followed by the **destruction of Christianity.** Therefore, **«the light of the true doctrine of Lucifer»** is the key to the problem that God's enemies want to solve: **the**

destruction of the Church of Christ. Now, the light we can usually associate with is the sun, because it is the light from the sun that we receive, every day, for our life. But the **“Doctrine of Lucifer”** also has its **“sun”** that radiates a particular **“light”**.

In the previous pages, we have revealed the **doctrine of the Luciferian Masonic Triple Trinity**, in the center of which is located the **All-seeing eye of Lucifer**, also called **Infinite Sun of Lucifer**, symbolized by the number **7 times 666**, i.e. 7 times the Antichrist symbol.

This **“Infinite Sun”** radiates a **“light”** that has the precise meaning of: **the total elimination of the Sacrifice of Christ on the Cross from the face of the earth.**

At this point, the terms of major clash appear clearly in place: **The Redemption of the Sacrifice of Christ on the Cross** or the **redemption of the Triple Masonic Trinity.**

Because the revolution in the Church of Christ cannot be obtained from below, for undermining the Redemption of Christ on the Cross, the Illuminati, with Nubius, had set a mandatory target: **to have “a Pope according to our needs.”** And that pope had to be **Paul VI.**

PAUL VI AND HIS “NEW CHURCH”

Msgr. Giambattista Montini knew the secret of the **Triple Trinity** at least since 1943, when he designed the symbols on the grave of his mother, Judith. Being aware of this terrible secret simply meant that **Montini was predestined to simultaneously become the Supreme Head of the Order of the Bavarian Illuminati and sit on the throne of Peter.**

Without the intervention of the world political power in the affairs of the Church, this would never have been

Fr. Luigi Villa called this book: **“The Atomic Bomb of the 20th Century.”** Why this expression? Did Father Luigi Villa know that the election of Paul VI had taken place under the threat of a nuclear annihilation? Was this the **“secret”** that many times - he said- he was to take to his grave? **Paul VI was the objective that Padre Pio gave him**, shortly after the election of Card. Giambattista Montini to the papacy.

The **“New Church of Paul VI,”** idolizing Man and replacing the Worship of God with the Cult of Man, did not know what to do with the **Redemption of the Sacrifice of Christ on the Cross.** This, however, was not a secret!

possible. Therefore, **with the threat of atomic weapons**, that they imposed the election of the Antipope **John XXIII** and the alteration of contents of Vatican II Council, to prepare the way for the election and the pontificate of Paul VI.

Eight days after the fraudulent election of **Paul VI**, on June 29, 1963, a **double Black Mass** was celebrated in **Rome and Charleston (USA)**, with which **Satan was enthroned in the Pauline Chapel**, the center of

Eight days after the fraudulent election of Paul VI, on June 29, 1963, a **Double Black Mass** took place simultaneously in Rome and in Charleston (USA) with the stated purpose to **enthroned Satan in the Pauline Chapel**. With this enthronement, the **Seventh Seal**, or the **Reign of the Antichrist** began. To understand the severity and the supreme goal of this enthronement, one cannot just mention that, from that moment, **Satan would decide who would occupy the throne of Peter**, but one must remember that the Chapel Pauline is the place where the Pope has the role of “**The Guardian of the Eucharist**”!

Christianity, because, in this place, the Pope has the role of “**Guardian of the Eucharist.**” That is to say, **Satan had been enthroned in the most intimate place of the Eucharist**, with the task of designating the Papal Office’s successors, because they would become the instruments of the “**Universal Church of the New Man,**” which had to be placed in the service of “**New Era of Man**” which no longer needed the **Redemption of Christ’s Sacrifice on the Cross.**

On that day, **June 29, 1963**, the **Seventh Seal**, or the **Reign of the Antichrist** began.

On June 30, 1963, **Paul VI** made his oath as Pope; but in reality **it was truly perjury.**

In fact, in the 15 years of his pontificate, Paul VI acted on the substance and content of oaths taken during the double Black Mass:

- He invented a new **Christianity un-nailing it to the Cross.**
- He replaced the **worship of God** with the **Cult of Man.**
- He replaced the supremacy of the **supernatural** with the supremacy of the **natural** and the **temporal.**
- He replaced the primacy of the **law of God** with the **primacy of conscience.**
- He replaced the leadership of the **Kingdom of God** and **eternal life** with the primacy of the **World, of Peace** and **Heaven on earth!**
- He invented a Christianity that sees **Christ** as a **liberator** not from sin but from suffering and from bondage.
- He invented a **gospel** muddled with the **Charter of Human Rights** and at the service of **social justice.**
- He abolished the **Rights of God** for the benefit of **Human Rights** and the exaltation of **Man’s likes.**
- He reduced the **evangelization** of the supernatural “**docete**” to a **dialogue** that is based only on human means and does not seek to convert.
- He invented a Christianity that, idolizing Man, proclaimed **Religious Liberty** to be a **fundamental and absolute right of Man.**
- **He promoted a false love for Man on which he founded His Religion of Man.**

How could the Redemption of the **Sacrifice of Christ on the Cross** help a religion such as this?

BENEDICT XVI

Even **Benedict XVI** was unmasked as the **Head of the Bavarian Illuminati** when, in late August 2012, with the Special Edition of “Chiesa viva”: **“The Antichrist in the Church of Christ”** we deciphered his papal coat of arms that glorified the 30th degree, the most Satanic 33rd degree of the A.A.S.R. and simultaneously we unmasked him as the **Head of the Bavarian Illuminati**, or the **Second Beast rising from the earth** of the Apocalypse of St. John.

How could the **Redemption of the Sacrifice of Christ on the Cross** help a **Benedict XVI, who has never believed in the Divinity of Christ**, who had been **crowned with a Satanic miter with the God-Pan in the center and Satanic symbolism that covered the entire miter**, and who chose a **pallium also covered with Satanic symbols and even Satanic in all the measurements on it?**

In what way would the **Redemption of the Sacrifice of Christ on the Cross** help a **Benedict XVI**, who in his works has taught us that:

- The Lord cannot be the Messiah;
- The Old Covenant is still valid;
- Jews and others can be saved without believing in Christ;
- Schismatics and the Protestants have no need of repentance;
- Non-Catholics are not required to accept Vatican I;
- Protestantism is not heresy;
- The Mass is valid without the words of Consecration;
- Infant baptism doesn't have a purpose;
- Scripture is full of myths;
- The false religion of Islam is noble;
- Pagan religions are lofty;
- Salvation can be achieved outside the Church;
- The Church unity does not exist;
- Catholic dogmas must be eliminated;

Cover of “Chiesa viva” n. 452. **Benedict V XVI**, having written over 280 books full of heresies, in August 2012, was unmasked as the **Head of the Bavarian Illuminati** with the Special Edition **“The Antichrist in the Church of Christ”**. On February 25, 2013, the Vatican received a condemnation of Benedict XVI to 25 years in prison for crimes against Humanity. In 2013, a Dutch woman, Toos Nijenhuis, testified that she saw Card. Ratzinger kill a child, in a castle in France. The following October, another witness confirmed the same crime.

- The Second Vatican Council rejected the Catholic teaching on Religious Freedom;
- The resurrection of the body will not happen;
- You should not proselytize ...

Benedict XVI descended from a dynasty of rabbis. Why didn't he asked to have removed from the Talmud **all the blasphemies against the Virgin and against Christ, insults to His Church and phrases that incite hatred against Christians**, before he began to dialogue with the rabbis?

J.M. Bergoglio, known as Francis “Bishop of Rome”, Antipope, heretic and blasphemer, on Friday, July 18, 2014, with the Case No. 18072014-002, was sentenced by the International Criminal Tribunal to 25 years in prison for crimes of the Church and the State against Humanity, with the sentence: «It is the unanimous judgment of the Court of Justice that **the three main defendants: Adolfo Pachon, Justin Welby and Jorge Bergoglio are guilty of conspiracy and complicity of crimes that are judged against Humanity, including the ‘murder and trafficking of human beings and personal involvement in these crimes.** Their guilt was presented and proven beyond reasonable doubt by the accuser.» And as the saying goes: “**Silence is consent.**”

THE SATANIC MARK OF FRANCIS’ “PONTIFICATE”

The set of the **three Triple Trinities** of the Sibillini Mountains constitute **the main body of the pure doctrine of Lucifer**, «**Then everywhere, the citizens ... will receive the TRUE LIGHT through the universal manifestation of the PURE DOCTRINE OF LUCIFER, finally revealed to public view ...**» (Albert Pike)

We cannot, however, think that the “public” (i.e. Mankind) can suddenly embrace a doctrine without it, first, being presented as a solution of the most serious problems of Humanity. The Cancer of the time we live in, is

that this work is carried out precisely by those who should “strengthen his brethren in the faith” in Christ-God and not deceive them, or deter them from the **salvation of their souls** with the **Satanic fable of Universal Peace among Men**. More precisely, it can be said that **the “pontificate” of FRANCIS bears the mark of the three Satanic Triple Trinities** imprinted on the Sibillini Mountains:

1. **Deification of Nature** (Satan presenting himself as **God**)
2. **Deification of Man** (Satan presenting himself as **Redeemer**);
3. **Deification of Lucifer** (Satan presenting himself as **King of the universe**).

FRANCIS AND THE DEIFICATION OF NATURE

Who deifys Nature ignores the supernatural and replaces the “salvation of souls” with “Preservation of the Natural Environment.”

Adam Weishaupt, founder of the head of the Bavarian Illuminati, as he believed **that the Family was the source of all evil, said that only in the name of pantheistic sacredness of Nature, can one obliterate the Family, along with Civilization.** **Cardinal Giacomo Biffi** wrote: «**The Antichrist** ... puts on the guise of an elegant and proper pacifist, environmentalist and animal rights activist ... **Solidarity, peace and ecology, if uprooted or opposed to the proclamation of the Salvific event, become an INCITEMENT TO IDOLATRY.**»

We wonder why in Francis’ ecological encyclical “**Laudato Si,**” **the proclamation of the Salvific event is completely absent** and everything, even the **Eucharist**, is tied to Nature?

- **Nature** is mentioned 70 times.
- Words: **Redemption of Christ, Mass, True Presence, the Sacrifice of Christ, Confession, the Rosary, the Kingdom of God, Heaven, Purgatory are completely absent.**
- **Hell** is only “an asphyxiation brought on by densely populated residential areas that are not compensated by human relationships that give the sense of community and belonging” (148).
- The **salvation of the soul** is completely absent, but four kinds of salvation appear that can be achieved with an appropriate relationship with Nature (71, 79, 79, 112).
- **Sin is mentioned 4 times**, only in relation with Nature.
- The **Soul** is mentioned only once, but only to “**encounter even God**

in all things” (233).

- The **Supernatural** is described as Nature that is assumed by God and transformed into mediation of supernatural life (235).
- The **Risen Christ** is universal maturation that illuminates everything.
- On **Mary and Joseph**, it only says that they help us to protect the world which God entrusted to us.
- **Eucharist** (236): «Joined to the incarnate Son, present in the Eucharist, **the whole cosmos gives thanks to God.** Indeed the **Eucharist is itself an act of cosmic love:** “Yes, cosmic! Because even when it is celebrated on the humble altar of a country church, the Eucharist is always in some way **celebrated on the altar of the world.**” **The Eucharist joins heaven and earth;** it embraces and penetrates all creation. The world which came forth from God’s hands returns to him in blessed and undivided adoration: **in the bread of the Eucharist, “creation is projected towards deification,** towards the holy wedding feast, towards unification with the Creator himself.” Thus, the Eucharist is also a source of light and motivation for our concerns for the environment, directing us to be stewards of all creation.»

FRANCIS AND THE DEIFICATION OF MAN

The Mason who becomes a Man-God is free from any Divine authority, being God himself, and then, with full “**freedom of conscience,**” he can ignore, mock, insult and blaspheme the name of the **true God-Man and Most Holy Trinity** and express his contempt for Christianity and for those Christians who have not abandoned the Faith in Christ-God. In this, “**freedom of conscience,**”

Some statements of a High Prelate of Francesco “Bishop of Rome”, «Ven. Master Freemason Card. Jorge Mario S.J. Bergoglio, the self-styled “Pope Francis”; **Antichrist Apostate; any of his acts are null and void and have no juridical and canonical effect; Anti-pope** who is conducting a Satanic Magisterium, heretical and blasphemous as a Freemason and a priest of Satan; prostrate to the will of the world and hypocrite of the worst kind. **Let him be anathema to Antipope Francis sentenced to 25 years in prison by the International Tribunal for Satanic ritual infanticide;** Satanic apologist of the sins of homosexuals, transsexuals, prostitutes, concubines, invoking free love and the Man-God and admitting them to Communion; a Zombie at the Service of Masonry to undermine Holy Roman Church and who performs a sacrilege when he offers Mass and receives Communion in mortal sin; He does not bless but curse the Christians. Do not obey this heretical Antipope Francis **deposed for heresy**, and that has usurped the throne of Peter...»

Francis seems to have no rivals!
 In the spiritual sphere what interests Francis is not the acceptance of Jesus Christ as the Messiah and Savior, but the **deification of human consciousness raised to the supreme moral norm of life**, at the expense of the Gospel and God’s Commandments.

- «God is the light that illuminates the darkness ... **and a spark of the Divine light is within each of us.**» (ie, the Man is God)
- «... I cordially impart this blessing, in silence, **respecting the conscience of each one**, but know that each of you is a son of God.» (is it not Baptism that makes us “Sons of

- God”?)
- «Each of us has a vision of Good and Evil also. **We have to encourage people to move towards what they think is good...**» (Was this not original sin?)
- «And I believe in God. Not in a Catholic God, **there is no Catholic God**, there is God.»
- «All! The Lord has redeemed all of us with the blood of Christ: everyone, **not just Catholics. All! Even atheists. All!**»
- «**Live and let live** is the first step towards peace and joy.»
- «I don’t care if this education is given by Catholics, Protestants, Orthodox or Jews. **I don’t care.** What

- matters is that this child receives an education and ceases to be hungry.»
- «The Mother of Jesus was the perfect icon of silence ... The Madonna was human! And perhaps she even desired to say: **“Lies! I have been tricked!”**»
 - «Today, the youth needs three key pillars: **education, sports and culture.**»
 - «The world has changed and the Church cannot lock themselves up in the **alleged interpretations of dogma.**»
 - «Regarding the loaves and fishes, I would like to add a new perspective. **They didn’t multiply, no, that’s not true.**»
 - «Yes, in this quest to seek and find God in all things there is still an area of uncertainty. **There must be... (but if there is not) then this is not good...**»
 - «To Dialogue does not mean one must give up their ideas and traditions, but to **claim that they are unique and absolute.**»
 - «When we read about Creation in Genesis, we run the risk of imagining **God was a magician, with a magic wand able to do everything. But that is not so.**»
 - «We should not think, however, that the Gospel message must always be communicated by fixed formulations learned by heart or **by specific words which express an absolutely invariable content.**»
 - «I often say: “And if I had to choose between a bumpy Church that goes into the streets or a sick, self-centered Church, **I would definitely choose the first one.**»
 - «**Sunday is the day of the family.**»
 - «**Proselytizing is solemn nonsense.**»
 - «I hold the Jewish people in very high regard, whose **covenant with God has never been revoked.**»
 - «**We cannot insist only** on issues related to **abortion, gay marriage**

and the use of contraceptive methods. This is not possible.»

- «The peaceful coexistence between the different religions **is favored by a secular state ...**»
- «**France needs to become a more secular country ...** A healthy secularism includes an opening to all forms of transcendence, **according to the different religious and philosophical traditions.**»
- «The greatest evils afflicting the world, in recent years, are youth unemployment and loneliness of old.»
- «For me, **hope is in the human person, what is in his heart. I believe in man. I believe in man, in his dignity and the greatness of his person**» (but, for Francis, there are people with a different heart).
- Francis calls these types of persons: «Fundamentalists, Pharisees, Pelagians, Gnostics, Triumphalists, Nostalgic, Superficial Christians, the chosen group, peacocks, pedantic moralists, uniformists, proud, self-sufficient, aristocratic intellectuals, Christians bats who prefer the shadows to the light of the presence of the Lord ...»

FRANCIS AND THE DEIFICATION OF LUCIFER

The worship of Man-God is only an intermediate step for those who will progress to **the worship of Lucifer.**

This jump of degree is evidenced by the commitment in fulfilling the ultimate goal and the maximum aspiration of Lucifer, symbolized by his **All-seeing Eye** or his **Infinite Sun**, which means: **the total elimination of the Sacrifice of Christ on the Cross from the face of the earth.**

The lack of faith and the contempt shown by Francis for the Eucharist, as well as the trivialization and the per-

For Francis, the Eucharist is cosmic love that embraces Heaven and Earth and penetrates everything created; It is celebrated on the altar of the world where we realize the vital center of the universe; It is a source of light and concern for the environment and encourages us to do our part to take care of the environment ... After denying the True Presence and the Sacrifice of Christ in the Eucharist, Francis pushes Inter-communion with Protestants and comes up with the horrible blasphemy against the love of God the Father for Humanity and against the Sacrifice of Christ on the Cross, with the words: **«Is God unjust? Yes, He was unjust to his Son, He sent Him to the cross.»**

version of the terms in which he speaks in his ecological encyclical, “**Laudato si,**” are highlighted by the jabs he has hurled against the **Eucharist** and the **Sacrifice of Christ on the Cross**:

- In his book “Reflexiones espirituales sobre apostolic vida” (Bilbao 2014), Francis insults the Eucharist with the words: **«the bread and wine in the Eucharist is like going to a tavern with friends.»**
- **Francis denies the Catholic teaching on the Real Presence of Christ in the Eucharist.**
- **Francis has never knelt before the Eucharist.**
- **Francis intends to have remarried adulterers receive Communion.**
- October 30, 2015: On the eve of the “Reformation Day” – the “Declaration on the Way: the Church, Eucharist and Ministry,” **called for “extending opportunities for Lutherans and Catholics to receive Holy Communion together.”**
- November 15, 2015: In the Evangelical Lutheran Church of Rome, a German Lutheran confided to Francis of her anguish at not being able to share the Eucharist with her husband, an Italian Catholic. Francis, instead of endorsing Catholic doctrine, said, **«You, yourself, speak with the Lord and go forward.»**

- January 15, 2016: **A group of Finnish Lutherans were admitted to Holy Communion**, in a Mass celebrated in St. Peter's Basilica by priests, after having a meeting with Francis.
 - March 25, 2016: Good Friday, in St. Peter's Basilica. During the celebration of the Passion of the Lord, **Francis**, in the capital of Catholicism, in the presence of cardinals, bishops and faithful, **gave a sermon about Martin Luther, while Luther's heresies and his offensive statements were spewed from the mouth of the Pontifical Household preacher, Father Raniero Cantalamessa.**
 - October 13, 2016: Instead of celebrating 99 years of the "Miracle of the Sun" that the Blessed Virgin Mary produced at Fatima in 1917, **Francis enthroned Luther in the Vatican**, with a ceremony, in front of Lutheran guests who had been invited into the Hall of Paul VI, in which **he replaced the papal stole (never used before) with the Lutheran stole.**
 - October 30, 2016: The day before Francis' journey to Sweden, **a second earthquake shook the Sibillini Mountains again.** Whole cities were destroyed. The Basilica of St. Benedict razed to the ground.
 - October 31, 2016: Francis went to Sweden to celebrate, with the Lutherans, the beginning of the fifth centenary of the heresies of Martin Luther. The Vatican published the very grave document: "Joint Roman Catholic-Lutheran Commemoration of the Lutheran Reformation."
Note the following points:
 - **154: The term, "transubstantiation" was abandoned** as an explanatory word for a change in the substance that occurs in the Eucharist, and says nothing against the terms "impanation" or "consubstantiation", used by the Lutherans. In these terms, Jesus would be present through the faith of the group and Jesus would disappear once the celebration was concluded.
 - **158: The Eucharist is described only as a memorial** (historical), as the Lutherans have always conceived.
 - **159: The doctrine that states that the Sacrifice of Christ is renewed in an unbloody manner at every Mass** as always been professed by the Catholic Church for over two thousand years **was abandoned.**
 - However, **the war on the Redemption of the Sacrifice of Christ on the Cross** was officially declared and widely spread around the world with the "Logo of Mercy" and the Logo of "Mater Misericordiae" where, on both, **the symbol of the Antichrist was engraved 7 times**, which, in an occult language, symbolizes the **Infinite Sun of Lucifer.**
 - December 15, 2016: In the Paul VI Hall, Francis received persons and children from five continents. To the question. "**Why do children die?**", with an attitude of false humility, Francis uttered the horrible curse: **«God is unjust? Yes, he was unjust with his son, He sent him to the cross.»**
- Is it possible for anyone to strike at the **Sacrifice of Christ on the Cross** and **trample on the immense love of God for Humanity**, in a deeper and more Satanic way than **with the horrible blasphemy of accusing God of injustice**, for wanting the death of His Son on the Cross for the Redemption of Mankind? **Only a puppet of the blasphemous and Satanic Masonic Triple Trinity could conceive such a thing and hurl such a horrible BLASPHEMY!**

The New Tower of Babel and the Infinite Sun of Lucifer symbolizes the means and the aim of the Antichrist, but the real purpose is to fill Hell with our souls before the intervention of God.

THE YEAR 2017

This year marks the centenary of the apparitions of Our Lady of Fatima. The first apparition was on May 13, and on **July 13, 1917**, Our Lady spoke of the **Three World Wars** that would erupt in the 20th century describing a situation of total chaos:

«Nowhere in the world will there be order and **Satan will reign upon the high places**, determining the course of events. **He will actually succeed in reaching the top of the Church.** Even for the Church, this will be the time of its greatest trials. **Cardinals will oppose cardinals; Bishops against bishops.** Satan will march in the midst of their ranks and in Rome there will be great changes ...»

Then, Our Lady speaks of the Second bowl of the Wrath of God: «... **Fire and smoke will fall from heaven, the waters of the oceans will turn into vapor and foam will rise upsetting and sinking everything. Mil-**

lions and millions of men will perish by the hour, and the survivors will envy the dead. There will be death everywhere because of the errors made by fools, and by partisans of Satan who then, and only then, will rule the world.»

But, in 2017, there are also other special events that are of enormous significance for **Secret Heads** of Freemasonry.

June 24, 2017 marks the **three hundredth anniversary of the founding of Freemasonry**, which, in fact, was established on June 24, 1717, thanks to an agreement between the rich, influential and ambitious followers of the Alchemistical Society of the Rosicrucian's Society and the Free and Accepted Masons, who were in a period of decline.

Recall that the duty of the Rosicrucian Knight of the 18th degree of A.A.S. R. is to **fight Catholicism** and its ultimate purpose is to **obliterate the Sac-**

rifice of Christ on the Cross from the face of the earth.

Also in 2017, there is another huge celebration of importance for the **Secret Heads** of Freemasonry: because the **Seventh Seal**, or the **Kingdom of Antichrist**, started on **June 29, 1963**, eight days after the fraudulent election of Paul VI, **on June 29, 2017, they will have completed 54 years of the Reign of the Antichrist.**

With reference to the meanings attributed to the numbers in the Bible and those allocated by Secret Heads of Freemasonry, we can make the following considerations:

- n. **54** is the product of $6 \times 9 = 54$.
- n. **6** indicates **the wicked rebels against God**, who are the Freemasons of the 1st degree of A.A.S.R. and represent the **1st Trinity of the Triple Masonic Trinity.**
- n. **9**, in the Bible, indicates failure, incompleteness and **end of a cycle that has been completed.**
- n. **9** ($= 1 + 8 = 18 = 6 + 6 + 6 = 666$), 18 multiplied by the n. 6 gives **108** ($= 6 \text{ times } 666$).
- **108** symbolizes the **All-seeing eye of Lucifer**, but the numbers 1 and 8 $= 18$ of the number 108 expresses an additional 666, then $6 \text{ times } 666 + 666 = 7 \text{ times } 666$.
- **7 times 666** symbolizes the **Infinite Sun of Lucifer** which represents: **the total elimination of the Sacrifice of Christ on the Cross from the face of the earth.**
- n. **9** also represents **the ninth hour of Jesus' death.**

So, in the year 2017, by June 29, the Antichrist must succeed in **eliminating the Redemption of the Sacrifice of Christ on the Cross** so that the words of Our Lady of La Salette can be fulfilled: **«The Beast with his subjects will proclaim the savior of the world,»** having the light of the **Infinite Sun of Lucifer** radiating on his

blasphemous and Satanic redemption of the Triple Masonic Trinity.

Then, in the first six months of 2017, we will see the efforts of Lucifer, still present in the Pauline Chapel, forcing his subjects to cancel the Sacrifice of Christ on the Cross and the True Presence in the Eucharist, so that **«The people receive THE TRUE LIGHT through the universal manifestation of the PURE DOCTRINE OF LUCIFER, finally revealed to public view, an event which will be followed by the destruction of Christianity »**

Starting from the considerations made at the top of the Masonic power, we analyze, now, the significance of these numbers and those that are interposed between the dates of June 29 and the intervention of God, indicated from the date of appearance on **the scream of Satan** on Monte Regina Sibilla.

- n. 24, (June 24, 2017) $= 2 + 4 = 6$;
- n. 24, (June 24, 2017) $= 4 \text{ times } 6$;
- n. **6** is the number of June;
- Therefore, the sum is **6 times 6**, which is the number 6 repeated 6 times, expressing **the impiety of the whole of Freemasonry.**

Now let's look at the significance of the series of numbers of days ranging from June 24 to that of July 3, the date of "the Scream of Satan":

- The days from June 24 (inclusive) to June 29 are **6**;
- The days that stand between the June 29 and the date of July 3 are: June 30 + July 1 and July 2 $= 3$;
- We, then, have the numbers **6** and **3** wherein their sum gives us the number **9**;
- The product $3 \times 6 = 3 \text{ times } 6 =$ the **Antichrist**;
- The product $6 \times 9 = 54$, as already seen: $9 (= 1 + 8 = 18 = 666)$ that 18 multiplied by 6 $= 108 (= 6 \text{ times}$

An image that symbolizes the **Second bowl of the wrath of God**, described in Revelation with the words: «... like a great mountain of fire was thrown into the sea. A third of the sea became blood ... » (Ap. 8, 8-9) and Our Lady of Fatima, in her Third Secret: «... the waters of the oceans will turn into vapor, and the foam will rise up and flooding and sinking everything. **Millions and millions of people will die by the hour; the survivors will envy the dead.**» With the Second Cup of His wrath, God presents an accounting to peoples and nations and prevents the Satanic powers that run the world from **implementing their plan to annihilate the Christian nations.**

666); but 1 and 8 of n. 108 = 666, and then the total is **7 times 666 = Infinite Sun of Lucifer.**

With these meanings and considering that the n. **3** of the waiting days from June 29, **depends on God's will**, we can conclude the following:

God, with His waiting of 3 days and after identifying His worst enemies: **Freemasonry**, the **Antichrist** and the **Infinite Sun of Lucifer**, starts His intervention on the earth with the **Second Bowl of His Wrath.**

NUMBERS IN THE BIBLE AND THEIR MEANING

In the Bible there are many aspects to be discovered and, for its correct interpretation, we must grasp the literary, allegorical, historical, theological and **symbolic** aspects; the latter, in certain cases, is expressed with a **number** when the context is to indicate it. Unlike **numerology**, namely the search for a hidden meaning in numbers, and **gematria** (a Kabbalistic method) which assigns a numerical value to the letters of the alphabet to find hidden meanings in the text – both condemned by God (Deut. 18: 10-12) – it is rather interesting to know the symbolic meanings that certain numbers assume in the Bible, because **they represent one of its keys of interpretation.**

Here are the meanings of the numbers that interest us to finish our study:

- 1 The number that indicates God** who imposes the absoluteness of God to the Chosen people.
- 2 The number of duality and opposition: it is the symbol of the combination of opposites** that we always use when talking about our religion: sin and grace, the sacred and the profane, the pure and the impure ...

- 3 The symbol of perfection and completeness:** There 3 are the Persons of the Trinity, the perfect expression of the loving and ordered relationship that is expressed by the Father to the Son through the Holy Spirit. As the testimony of **three witnesses attests to the truthfulness of a matter, so a threefold repetition would prove or give emphasis to what is reiterated.** While not being 3 days from death to Resurrection, **n. 3 shows the complete and new life, in which Jesus is clothed.**
- 4 The number that represents the world or the universe, since there are four cardinal points.**

- 5 The number that**, with derivatives of zero: 50, 500, 5000, **underlies the action of the Divine Spirit.**
- 6** Being a smaller unit than seven, which expresses completeness, **n. 6 symbolizes something incomplete, imperfect, or something that is related with the rebels and enemies of God.**
- 7 The divine number indicating completeness**, because it refers to God's rest after Creation: "the 7th day He rested." The n. 7 is found **600 times** in Scripture and, each time, **indicates an action that is accomplished by God's will.**
- 8 The eighth day**, the first after the seventh, **is the day of Resurrection. The n. 8 becomes the symbol of transformation, of the new life which Christ destines for us.** The baptismal fonts often have an octagonal shape because Baptism brings the man back to new life as a child of God.
- 9 The number that indicates absence, incompleteness**, and that is associated with the 9th commandment: **Do not covet thy neighbor's goods.** In the Gospel, the ninth hour is the hour of Jesus' death, the moment when he feels the sense of abandonment and lack of blessing from the Father. **The n. 9 is the number that closes a cycle, symbolizing the end of a phase that is now completed.**
- 10 The number that indicates the fullness, completeness, entirety of a given thing.**
- 12 The number symbolizing completeness of a structure as designed by God.** For example, the 12 Tribes of Israel, the 12 apostles and that is the People of God.

Now, with reference to the historical period in which we live, we analyze the meaning of the numbers relative to the demonic shadow that appeared on Mount Regina Sibilla.

APPEARANCE OF THE DEMONIC SHADOW

The date, time, duration of the apparition of the demonic face on Mount Regina Sibilla and the witnesses are:

2015 - July 3 (7th month)
19:20 hours (= **12 + 7** and **20**)
– **8** minutes (duration)

The witnesses of the apparition were

3 of the same age of **34** years.

From the numbers 3 and 4 we can compose the numbers:

3, 4, 3 + 4 = 7, 3 x 4 = 12.

Now let's discover the biblical meanings of all these numbers:

Year: 2015

- 2** Indicates dualism and opposition between the **Redemption of the Sacrifice of Christ on the Cross** and the blasphemous and Satanic **redemption of the Triple Masonic Trinity.**
- 20** Indicates the fullness, completeness and totality in time and space of **the opposition between the two Redemptions.**
- 1** Indicates God who imposes absoluteness to His people and the **one Person who will solve the conflict between the two Redemptions.**
- 5 The number that underlies the action of the Divine Spirit.**
Date: July 3 (7th month)
- 3** Indicates the completeness of the **three Persons of the Most Holy Trinity.**

7 indicates the completeness of **an action that is accomplished by the Will of God.**

Time: 19:20 (12 + 7 and 20)

12 Indicates the 12 tribes and the 12 Apostles, and that is **the people of God**, the human part of the Catholic Church.

7 indicates the completeness of **an action that is accomplished by God's Will.**

20 Indicates the fullness, completeness and totality of the contrasts between the two Redemptions.

Duration: 8 minutes

8 Indicates **the day of Resurrection and Rebirth of the Church of Christ!**

Witnesses: 3 all 34 years of age

3 **Three witnesses attest to the truthfulness of a matter, so a threefold repetition would prove or give emphasis to what is reiterated.**

The n. 3 also shows **the new and complete life, of which Jesus is clothed**, the fullness of a transformed and eternal life in quality as well as in duration.

4 **Is the number that indicates the world.**

7 Indicates the fullness and completeness of **an action that is accomplished by God's Will.**

12 Indicates 12 tribes, 12 Apostles, **the people of God**, the human part of the Church of Christ.

To summarize: **the "signs" that God sent us** the day of the apparition of the demonic shadow on Mount Regina Sibilla, have the following aspects:

- There is a contrast between the two redemptions which reached its fullness and totality (2 times);
- The solution is in the hands of God;

- The "sign" was an underlying event by the action of the Divine Spirit;
- The intervention will involve the three Persons of the Most Holy Trinity;
- The intervention is an action that is accomplished by God's Will (2 times);
- The intervention will be the rescue of God's people
- The intervention will begin the resurrection of Christ's Church.

Now if we translate these meanings inherent in the "sign" of God from the year 2015 to 2017, everything remains unchanged, except **5** which becomes **7**.

Replacing the number **5** with **7**, we go from a number that **underlies the action of the Divine Spirit** to a number that expresses **the action that is accomplished by God's Will!**

In light of the facts and considerations, certain phrases, spoken by Fr. Luigi Villa in the past, have come to mind because they have acquired a more precise meaning.

Early in the year 2,000, referring to the words of Our Lady of Fatima on Third World War, which was to break out within the second half of the 20th century, often I stated that the destructive phase of this war was imminent, because I believed that the **Second Bowl of God's Wrath** should happen before the end of the century.

One day, in response to yet another one of my statements on this point, Fr. Villa replied with a cryptic phrase of which I was never able to grasp the meaning **«To know the times of this event, we will have to wait until the year 2015.»**

He did not say that the event would occur during the year 2015, but that by this year we could know it. Had perhaps Fr. Villa known via Padre Pio

God loves us and forgives us, but if the sinner does not repent, **He will punish through mercy**, to have him withdraw from evil, and so spare him the worst and final punishment: **Hell!** The “**Theological Dictionary**” (SEI) reads: «**The wrath of God is the reaction of the Holy God in everything that is attentive to His Majesty or His moral perfection.**» So the wrath of God should be considered like **a punishment for sin**, and not like an explosion of a bad mood or a disordered action of a soul! Even St. Augustine writes: «**The wrath of God is not a disruption of His spirit, but a judgment by which sin is punished.**»

that God would give us a “sign” to let us know about the timing of His intervention?

I will still never forget another fact that Fr. Villa repeated, several times, over the years, «**Lucia of Fatima made it known to Card. Alfredo Ottaviani that God would intervene in one month of July.**

By “**God’s intervention**” Fr. Villa meant the Second Bowl of God’s Wrath, because this will be the first direct intervention of God, in a suc-

cession of interventions that would follow for the remaining five bowls.

Shortly before his death, Fr. Villa often repeated this phrase, «**We’re here! We arrived..!**» meaning “we have arrived at the **Second Bowl of God’s Wrath.**”

With the demonic figure of Satan’s Scream on Mount Regina Sibilla, on July 3, 2015, **have we come to know the day when God will intervene with the Second Bowl of His**

Wrath? And why should God have sent us this “sign” to help us to find out this terrible day?

Because of God the Father’s love for us, which pushed Him to the point of **sacrificing His Son on the Cross for the salvation of our souls**, this time, with directing us to a date that will re-

sult in anxiety, fear and terror for us, He wants to invite us to find our way back to Him, to repent of our sins, to receive His peace and especially to prepare ourselves well to accept the offer of **His forgiveness and Mercy** while preparing to accept **His inexorable Justice!**
