Why was Padre Pio poisoned?

by Dr. Franco Adessa

Paul VI..

The dossier “The Secret of the Padre Pio’s Empty Tomb” exists, currently, in Italian, English and Spanish and has already been distributed to the Religious authorities, the Clergy and the top political authorities, worldwide.

The darkness that envelops this “secret” could easily be dispelled if one could only answer, in an exhaustive way, these three simple questions:

The darkness that envelops this “secret” could easily be dispelled if one could only answer, in an exhaustive way, these three simple questions:

1. Was Padre Pio **poisoned**?
2. **Who** wanted Padre Pio **poisoned**?
3. **Why** was Padre Pio **poisoned**?

With reference to the contents of the dossier “The Secret of the Padre Pio’s Empty Tomb” and of the book bearing the same title, and from which this dossier was drawn, we will try to answer these three questions. Let us state, that whereas to answer the first two questions, it will only be necessary to report, even if in a summarized form, already well-documented historical events, the real difficulty concerns the presentation of the facts that will have to fully answer the third question.

WAS PADRE PIO POISONED?

The answer is most definitely affirmative, because it is a reality already established by the “facts.” We provide a list of these “facts,” indicating only the people involved and their statements or phrases pronounced by Padre Pio, himself.

Already in the past, there were episodes that foresaw what then turned into a deliberate and fierce “**final solution.**”

Padre Pio knew perfectly well that the medicines were harmful to him, but to those who urged him to refuse them, he replied: **«I obey my superiors and my doctors, as I have always obeyed.»** And he concluded in a

disconcerting manner: **«Too bad for them!»** When Padre Alessio tried to intervene, Padre Pio decisively prevented him: **«... you must think of being a monk and not a doctor!»**

Everyone saw that Padre Pio was declining day to day. He could no longer go down in the refectory, no longer move his legs, he was subject to gagging. In the last years of the

life of Padre Pio, there were several Capuchins assigned to him: **Father Eusebio, Father Onorato, Father Alessio, Father Pellegrino.** These religious agreed in affirming **that Padre Pio was being poisoned by medicines.**

Padre Pio has been “stuffed” with sleeping pills and barbiturates that, in addition to destroying his health, numbed his mental faculties. The Medical Director of the House of Relief of Suffering, **Professor Giuseppe Gusso,** a man of integrity and most devoted to Padre Pio, said that **«Some doctors in favor of Padre Pio, without the friars knowing it, have analyzed some of Padre Pio’s urine in the laboratory of the Clinic. The Father has a remarkable physique: traces of barbiturates have been found that would have killed a horse in three days.»**

One day **Padre Pio** told **Enzo Bertani,** the treasurer of the House of relief, who had come to visit him: **«Take that bottle of pills and throw it away, before the nurse arrives.»**

In 1959, Padre Pio was seriously ill and almost dying. One day **Fr. Modestino** found himself in the friar’s cell when they brought him a glass of chicken broth to drink; when he reached the middle of his glass, Padre Pio stopped drinking and said to him: **«Here, brother, take and drink!»** As soon as he began to drink, Fr. Modestino was taken by nausea and retching, as the broth so disgusting. Padre Pio jokingly told him: **«What! brother, don’t you like it? ... And what about me who must do this mortification every day?»** Fr. Modestino asked him, **«Father, do you really like to drink this chicken soup?»** The answer was: **«It is the greatest mortification that obedience requires of me. In truth, I don’t like it at all.»** When Fr. Modestino circulated the rumor about this sickening glass of chicken broth, the mortification to Padre Pio ceased suddenly.

In September 1964, **Padre Pio** complained to his spiritual son, **Eligio D’Antonio,** who declared in writing: **«Padre Pio told me: three quarters of my ills come from these medicines that they make me take.»**

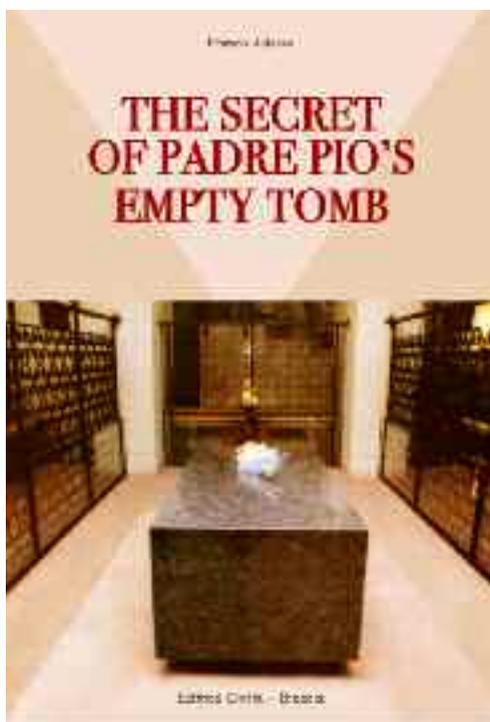

Towards the end of 1964, **Padre Pio** could no longer sleep. **The attending physician resorted to sleeping pills and barbiturates. Padre Pio did not**

want to take those pills, but the Superior, Father Guardian, imposed them on him under the pain of obedience.

In March 1965, **Mrs. Mastrorosa** of San Giovanni Roton-do said to Padre Pio: «Father, you look terrible, don’t you care?» The Padre replied: **«My daughter, they give me so many pills that are poisoning me.»**

In his last years, Padre Pio was poisoned and since the poisons given to him would remain in his bones forever, his body disappeared, leaving his tomb empty.

On April 20, 1965, after **Padre Pio** was taken back to his cell, a doctor of the House of Relief, against the will of the friars, **took a blood sample** from Padre Pio to analyze it. **From the analysis, it turned out that Padre Pio was poisoned.**

On April 29, 1965, **Prof. Glauco Tortolontano** and **Prof. Giuseppe Gusso** of the House of Relief and **Prof. Cassano** went to the convent, but, to everyone’s dismay, they heard that **«You cannot visit Padre Pio, because the Father Guardian does not want this.»** The Father Guardian was nowhere to be found.

Entering the cell of Padre Pio, **Prof. Cassano** heard repeated three times by the friar: **«I cannot let you visit me because the Father Guardian does not want this.»** But the truth was another: they wanted to **prevent other doctors from visiting Padre and investigating the medicines that were given to him.**

In a letter dated March 26, 1966, to his beloved **Padre Augustino,** Padre Pio writes: **«I am also distressed by the doctors who make me drink some garbage that I cannot stand.»**

Upon hearing the news of Padre Pio’s death, **Nino Longobardi** published in the “Messenger,” on September 25, 1968, a surprising piece of news: Immediately after the death of Padre Pio, **Sister Pia,** sister of Padre Pio, who was a religious belonging to the Order of Saint Bridget of Sweden, **made a formal request to the superiors of the Convent of Maria Santissima delle Grazie and also to the Vatican, for an autopsy to be performed on the corpse of Padre Pio.**

This was really a “striking” request and **the nun had to have good reasons to make a request of such proportions!**

On November 1, 1968, **Father Pellegrino**, himself, in the house of **Countess Telfener**, in front of **five witnesses**, stated: **«There was a period when Padre Pio was forced to take more than fifty pills a day, of every kind, from the most harmless, like vitamins, to sleeping pills and barbiturates. Since the end of 1964, every evening, he was forced to swallow five pills, two of which were barbiturates and the other three sleeping pills.** These medicines had damaging effects on the health of Padre Pio. He could not stand anymore, he was dizzy, he could no longer move his feet, I had to support him with both my arms when he walked. During the night, I no longer knew how to move him when I needed to turn him over in bed. **I, and the other confreres who were closest to him, found that Padre Pio was delirious, at times he no longer had control of his mind.** He often vomited. When he walked, he leaned against the wall so as not to fall on the ground. One evening he fell and injured his face.»

On October 8th, 1969, **Renzo Allegri** produced knowledge of terrible facts such as the **“unfit medical treatment for Padre Pio,”** or indeed, **“decidedly wrong.”** As well as the, **“the existence of a terrible danger”** in the earthly life of the Friar, due to the **“martyrdom caused by drug poisoning.”**

Eligio D’Antonio narrates in his diary, that, one morning, in the presence of the Parish priest of Tufello, Don Parisio Curzi, as he was preparing his medicines, he heard Padre say: **«Two thirds of my ills are due to the concoctions that they make me take.»**

Cleonide Morcaldi reports these words of Padre Pio to the **Mastro-rosa** sisters, who asked Padre Pio for the cause of his dizziness: **«They are poisoning me with pills.»**

In one of their books on Padre Pio, **Professor Lésourd**, of the Catholic University of Paris, and **Abbot Benjamin**, re-

Above: Padre Carmelo of San Giovanni in Galdo, Father Guardian of the convent of San Giovanni Rotondo, was the superior of Padre Pio, who gave him all sorts of medicines, pills and barbiturates that took him to the grave.

Below: Padre Clemente from Santa Maria in Punta, direct superior of Padre Carmelo and Apostolic Administrator of the Monastic Province of Foggia, had, as an exclusive and direct Superior, Paul VI.

port on Father Pellegrino’s judgment: **«For me, the medicines have taken away Padre Pio»** and on the subject of Padre Pio’s weakened arms, his weighted legs the uninterrupted vertigo, the heavy falls upon the ground Father Pellegrino specifies: **«The sleeping pills were the death of Padre Pio.»**

«The following story is from our informant who wants to remain anonymous. He states: “I can document a period of Padre Pio’s life that no one has ever talked about. **It represents a terrible period of his existence, when the martyrdom of psychological confusion, caused by drug poisoning, was added to his physical and moral suffering.** (...) Of this period, which was among the most painful of his life, **Cardinal Giacomo Lercaro** wrote:

“To cause Padre Pio to agonize as the Savior in the Garden of Olives, was the fact that **he did not suffer so much FOR the Church, when the fact was that he was caused suffering FROM the Church...** He felt the bitterness of the arbitrary proceedings, of very harsh, injurious, malicious measures ... **He had been isolated from his friends; in their place, there appeared his adversaries in the miserable sullenness of the mediocrity who did not suffer from the superiority of virtue ... the confreres, themselves, became his tormentors** and he who should have been as a cane to him in his old age, **was the miserable traitors who went as far as to commit sacrilege with their traitorous kiss.”**

I have quoted these words from a cardinal because, if anyone else had written them, they would be unbelievable.»

Over fifty years before, Jesus, Mary and the Celestial Court were repeating, as a refrain, to the young Padre Pio: **«... the victim,**

to be called a victim, must lose all his blood.» The **“Vocation to redeem”** has been satisfied; the **“GREAT MISSION”** on this earth entrusted to Padre Pio from the Lord has been completed!

WHO POISONED PADRE PIO?

Also, the answer to this question is relatively simple to give, for the linearity and rigidity of the existing relationships that linked the administrators of the various “medicines,” “soups,” “barbiturates,” and “poisons” to Padre Pio, up to the Supreme Summit from which **the others had to depend**. The person who ordered Padre Pio to ingest all sorts of “poisons” was the Father Guardian of the convent of the Capuchin Friars of San Giovanni Rotondo: **Padre Carmelo from San Giovanni in Galdo**.

Paul VI was the direct superior of Padre Clemente from Santa Maria in Punta who had been appointed Apostolic Administrator of the Province of Foggia.

In the last three years of his life, Padre Pio could not stand up and could not speak; he often staggered and fell. “Each pill was given to Padre Pio, not by his doctor, **Prof. Sala**, but by the friar nurses who assisted him; so, it was, **to be precise, the Father Guardian**, who gave these drugs to Padre Pio!”

On August 23, 1963, under the pontificate of Paul VI, **Father Clemente from Santa Maria in Punta** was appointed **Apostolic Administrator** of the Monastic Province of Foggia by Card. Antoniutti, Prefect of the Sacred Congregation of Religious.

On January 22, 1964, deceiving Card. Ottaviani of the Holy Office, **Father Clemente** elected, as Father Guardian of the Convent of San Giovanni Rotondo, not **Father Carmelo from Sessano**, a long-standing friend of Padre Pio, but, instead, **Father Carmelo from San Giovanni in Galdo**, the subordinate and executor of his orders!

In reality, «Father Carmelo from San Giovanni in Galdo does not come as a Father Guardian, but as **Delegate of the Apostolic Administrator; this means that every decision and initiative does not belong to him, but originates directly from the Apostolic Administrator, Father Clemente from Santa Maria in Punta.** »

«On May 15, 1964, reading the **Report on the condition of the Capuchin Order in the years 1958-1964**, the Minister General of the Order, **Father Clemente from Milwaukee**, speaking of the Province of Foggia, declared. “... If we say that the Province, and especially the **Convent of San Giovanni Rotondo**, has caused us difficulties over and above the norm... Now in that Province, an **Apostolic Administrator** has been set up. The story is about him ... ”»

In fact: «In the last years of Padre Pio’s life, the governing authority of the Capuchin Province of Foggia is centered exclusively in the hands of **Father Clemente from Santa Maria in Punta** who, **as Apostolic Administrator, has a Provincial authority which is superior to that of the General of the Order.**»

To whom was the Apostolic Administrator, Father Clemente from Santa Maria in Punta, responsible for his actions? «**The Apostolic Administration** is a specified division of the People of God who, for special and particularly serious reasons, is not erected as a diocese by the Supreme Pontiff and the pastoral care of is entrusted to an **Apostolic Administrator, who governs it in the name of the Supreme Pontiff.**»

So, from 1963 until the death of Padre Pio, Father Clemente had only one superior: Paul VI.

«The activity of **Father Clemente**, in the Province of Foggia, leaves no doubt: **the enemies of Padre Pio are his friends and proteges; Padre Pio and his friends are his enemies and this constitutes the whole “issue” that must be untangled.**»

With the advent of **Paul VI**, the persecution of Padre Pio in the days of John XXIII turned into a harsh and implacable **“final solution”** to that age-old problem that had **“caused difficulties out of the ordinary in the Convent of San Giovanni Rotondo.”** And the solution of these “difficulties out of the ordinary,” in the words of the General Minister of the Capuchin Order, **“concerned Father Clemente.”**

The **“final solution”** began officially on **April 17, 1965**, when **Father Clemente conversed with Padre Pio**, for a quarter of an hour, in his cell. Soon after, **Padre Pio felt sick and collapsed**. According to reliable reports, the object of the meeting was that **Padre Pio was given precise instructions** about how he should conduct himself in relations with doctors and other authorities of the House of

Relief and, in particular, with his doctor friends, even his renowned friends, from which he was forbidden to be visited.

Father Clemente, therefore, ordered Padre Pio not to be visited by any doctor ever again!

On Easter Sunday, April 18, 1965, Padre Pio celebrated Mass, but then stayed in the cell until Monday. On the morning of Tuesday, April 20, he asked the confreres to support him because he wanted to celebrate Mass, but on the last steps, he weighted down and, supported by their arms, was led back to his cell. Halfway down the corridor he fainted and fell to the ground.

From the Easter of 1965, with the visit of Father Clemente, Padre Pio began a long agony that would last three and a half years, until his death.

«In the latter period, assistance to Padre Pio was carried out by some of his confreres, but even these choices had to always pass through the Apostolic Administrator, Father Clemente of Santa Maria in Punta.»

In a diary of Fr. Luigi Villa, I read a statement that Msgr. Antonio Piolanti, Magnificent Rector of the Lateran University and his very close friend, had made about Paul VI: «Paul VI cannot bear those who don't think like him. Paul VI does not kill you. He gets you killed!»

WHY WAS PADRE PIO POISONED?

To answer this question, we must:

- clarify the **historical period** in which Padre Pio lived and that continued even after his death;
- clarify the **“mission of Padre Pio”** and the meaning of his words: **“My mission will begin after I have died”**;
- clarify the **Supreme purpose of the Universal Satanic powers** that saw Padre Pio as their worst enemy and their greatest challenge.

THE HISTORICAL PERIOD

The historical period in which Padre Pio took his first steps to realize his **“mission”** was **the second half of the Twentieth Century**. Our Lady of Good Success spoke about the problems of this time period, more than three centuries earlier.

In 1582, in a Monastery in Quito (Ecuador), Mother Mariana, while praying, suddenly heard a terrifying roar and saw the whole Church had been plunged into darkness,

Our Lady of Good Success.

as from dust and smoke. Looking up, she saw God the Father, Christ and the Virgin Mary appear. While Jesus began His Agony, she heard the WORDS of God the Father: **«This punishment will be for the Twentieth Century. I shall punish heresy! I shall punish blasphemy! I shall punish the impurity!»**

The Virgin Mary asked her: **«My daughter, will you sacrifice yourself for the people of this time?»**

«I am willing!» Mariana answered. In another apparition of 1623, Mother Mariana, saw how the Devil would use the sons of her country who had lost their faith and would join the party of Satan, becoming members of the Masonic lodges. Our Lord showed her how **the hideous and pestiferous wild boar of Freemasonry entered the beautiful and flourishing vineyard of the Church, leaving it**

annihilated and in complete ruins.

In 1830, in Paris, in Rue du Bac, Our Lady appeared to Catherine Labouré, of the Daughters of Charity of St. Vincent de Paul, offering her the **Miraculous Medal** as a sign of love, pledge of protection and source of graces.

This Apparition had a particular reason.

Nubius, the second head of the Illuminati of Bavaria, had recently completed his plan to destroy the spiritual power of the Church: **«We need to make the world free from Catholicism ... We only conspire against Rome... Our ultimate goal is complete annihilation of Catholicism and even of the Christian idea ... It is the morality that we must strike; we must therefore injure the heart!»**

«Let the clergy walk under your flag, thinking they are walking under the banner of the Apostolic Keys... Save the bodies, but kill the spirit!» But this revolution had to start from Italy! In fact: **«LOOK FOR THE POPE WHOSE PORTRAIT WE HAVE MADE.»**

In 1846, at La Salette, Our Lady spoke of the corruption of the clergy: **“cesspools of impurity ...”, “worshippers of yourselves”** and **“Rome will lose faith and become the seat of the Antichrist”**.

In 1917, at Fatima, Our Lady “continued her speech of La Salette”: **«A great punishment will fall on the whole human race ... in the second half of the Twentieth Century. No longer does order reign anywhere and Satan will reign over the highest places directing the course of events. Satan will effectively succeed in penetrating the top of the Church... »**

One had to look for a **“Pope”** of whom Nubius had portrayed. He could not be a Pope, but an **Anti-Pope, a corrupt man, a traitor, who would not stop even in the face of murder; a man willing to bribe the clergy, to direct the auto-destruction of the Church, to betray the**

Christian peoples; a man who had to know the deepest secret guarded by the heads of Freemasonry, who had to know that he was the initiator of the Seventh Seal, or the **Kingdom of the Antichrist.**

This man was Card. Giambattista Montini who, in the conclave of 1963, despite the election of Card. Giuseppe Siri to the Papacy, **under terrible threats made by members of the Jewish High Masonry of the B'nai B'rith, was imposed as Anti-Pope,** on June 21, 1963!

Paul VI was the “second beast, coming from the earth, who wore two horns like those of a lamb, but who spoke the same language as the Dragon!”

On June 29, 1963, eight days after the election of Paul VI, a **Double Black Mass** was celebrated in Rome and Charleston (South Carolina – USA) by which **Satan was enthroned in the Pauline Chapel,** where the Pope takes on the role of **“Guardian of the Eucharist.”**

That June 29, 1963, was the beginning of the **Seventh Seal** of the Apocalypse of St. John, namely **the beginning of the Kingdom of the Antichrist.** And this kingdom could have been born only when the Supreme Head of the Order of the Illuminati of Bavaria would be seated simultaneously on the throne of Peter.

Therefore, Paul VI, seated on the throne of Peter as an Anti-Pope, secretly, also held another Supreme position, **the only one that allowed him to be a part of the Antichrist:** Paul VI was the Supreme Head of the Satanic Order of the Illuminati Bavaria; he was also called the **Head of the Order of Assassins!**

With this dual role, Paul VI could **“kill the spirit” of the Italian people** only by extending the practice of murder to an entire people; but they had to be the worst of the murders, **the one that could affect morale, injure the heart, kill the spirit! The murder of their own children!**

The Law 194 that legalized abortion in Italy, approved on May 22, 1978, **is the only law on abortion in the world that bears the signature of Catholic politicians,** yet they belonged to the Christian Democratic Party, **the Montini Family Party!**

To get an idea of the **“mind”** of Paul VI, we can cite the recent statements by **Vincenzo Calcara,** a man of the Mafia, **“repentant”** and **“converted.”** After describing

The imposition of the election of Paul VI with terrible threats, and eight days later, with a Double Black Mass in Rome and in Charleston (USA) which enthroned Satan in the Vatican, **the Kingdom of the Antichrist began.**

the **five Entities: Mafia, Ndrangheta, the Deviant Church, P2 Lodge and Deviant Secret Services,** he reveals to us the identity of the **Chief of the Supreme Commission** of these five Entities.

The 15 people of the five Triumvirates of the five Entities form the **Supreme Commission ...** at whose summit there is a **Super Triumvirate** whose members are elected by secret ballot and hold office for life.

In the **Super Triumvirate,** there is an **Absolute Head** flanked by two other powerful characters.

Here, now, are the statements of Calcara on the **Absolute Head:** «In the past, **at the top of the Supreme Commission there was a Cardinal** who, with his extraordinary intelligence, managed to deceive everyone, to the point of being elected Pope. **I am talking about Cardinal Montini, who later became Pope with the name of Paul VI.** During his pontificate, he was able to reinforce the five Entities even more. Msgr. Pasquale Macchi, who was very devoted to this Pope, **was at the summit of the Vatican Entity.»**

And again: «**To date, no collaborator of justice has ever wanted to talk about the Supreme Commission, at whose summit, there was Paul VI.** But do you realize that they want to beatify him? **He was anything but Holy Paul VI; he was more like Holy Devil Paul VI. He was something other than a Catholic saint, he was a Catholic scandal.»**

THE MISSION OF PADRE PIO

More than fifty years before, Jesus, Mary and the Celestial Court repeated

to the young Padre Pio: «... **the victim, to be called a victim, must lose all his blood».** THE “VOCATION TO REDEEM” has been satisfied; **the “GREAT MISSION” on this earth entrusted to Padre Pio from the Lord has been completed!**

What was this **“great mission”** entrusted by the Lord to Padre Pio?

The “Vocation to Redeem” and “lose all his blood,” as Jesus Christ did to redeem Mankind, was to carry out the **“great mission” of “Defending the Church of Christ” from the Satanic plan of the Kingdom of the Antichrist,** that would have begun in the last period of Padre

Pio's life. Therefore, the **“great mission” of Padre Pio was to create the foundation for the “Defense of the Church of Christ”** or rather the defense of the **“Sacrifice of Christ on the Cross”** that constitutes Her Soul!

But since he was living in a monastery where he was even forced to obey the orders of his Father Guardian who required him to ingest poisons, how could Padre Pio fulfill this mission?

All that Padre Pio had done and suffered by shedding his blood from his five wounds until the end of his life served to enable him to carry out the will of God, **in his plan to entrust the task to the priest who was to be the author of the First Cup of the Wrath of God, i.e. the task of unmasking the traitors of Christ at the top of the Church.**

Only with his great and unquestionable holiness, could Padre Pio make the top of the Church believe that he had given a task to a priest who was to **“Defend the Church of Christ from the work of Ecclesiastical Freemasonry”!**

And only Padre Pio could answer loudly to that same Priest, who came back to him twice to complain about the obstacles and insurmountable difficulties facing him: **«Go ahead! It is God's will!»**

It was just shortly after the imposition of Paul VI as Antipope that Padre Pio had another meeting with Fr. Luigi Villa, in which – as he told me – he passed the **“baton.”** This was **“the mission of Padre Pio”** a **“mission that would have begun after his death!”**

THE SUPREME PURPOSE

Padre Pio was the **“answer from Heaven”** to the Satanic plans of the Illuminati of Bavaria. Its Head, Paul VI, knew very well that the friar with the stigmata was his worst enemy. The Illuminati plan was **“the complete annihilation of the Catholic Church and even of the Christian idea,”** but this could only be achieved in one way: **to totally eliminate the Sacrifice of Christ on the Cross from the face of the earth!** This was the task entrusted to their Leader; this was the main goal of Paul VI.

And Paul VI faced not only a friar who embodied the Sacrifice of Christ with his bleeding stigmata, but a friar who had entrusted **“the will of God”** to a young priest who had, furthermore, received a papal mandate from Pius XII. Mons. Giambattista Montini heard about this from Card. Tardini, shortly after Pius XII was pushed into the grave, as told to me by Fr. Villa.

With Paul VI, the **“final solution”** for Padre Pio and the isolation and persecution of Fr. Luigi Villa commenced. I became his collaborator in 1990, but it took me many

With an Atomic threat, an Anti-Pope, the enthronement of Satan in the Vatican and the Masonic doctrine of Vatican II in the Church were imposed to the Church of Christ!

years before I realized the true nature of the ongoing battle.

I began to understand the particular role that Fr. Villa wanted to impart to me, when he began to propose and encourage me to **study the Masonic symbolism** that was hidden within monuments, works of art, new churches ... It took years, but his continuous, gentle insistence obtained results that one could never have dreamed of.

The enemy's supreme purpose was to **annihilate Christ's Sacrifice on the Cross and eliminate His Redemption.** Our aim, however, was to identify the leaders of this enemy power, the traitors within the Church and their occult symbolic language.

I understood that Fr. Villa wanted to have the **“keys” to read the secret language of the enemy;** an enemy who were also his relentless enemies within Freemasonry itself.

The first study that saw the light was **“A Masonic Monument to Paul VI.”** In this monument built by Msgr. Macchi, I proved that Freemasonry had ex-

alted Paul VI as the **“Supreme Head of Freemasonry,”** as a **“Jewish Pontiff”** and had glorified him for his three **“acts of justice,”** namely of **having betrayed Christ, the Church and the history of the Christian peoples.**

After several years of continuous “polite insistence,” on February 20, 2006, the Special Edition: **“A ‘New Church’ dedicated to St. Padre Pio – A Masonic Temple?”** was published.

FIVE SATANIC TRIPLE TRINITIES IN THE “FIVE WOUNDS” OF CHRIST

The Satanic Temple dedicated to Saint Padre Pio is a horrible offense to the Most Holy Trinity and the Redemption of Jesus Christ. In fact, the Holy Trinity was replaced with the Blasphemous and Satanic Masonic Triple Trinity, while the Redemption of Christ on the Cross was replaced with the Gnostic-Masonic Redemption that Lucifer offers to the Man-God of Freemasonry.

The most diabolical aspect of this Temple, however, concerns **the five wounds of Christ and the stigmata of Saint Padre Pio.** Here the Satanic mind that conceived this “Masonic Temple” had reached its zenith: **Into the five wounds of the Passion of Christ and in the five wounds of the stigmata of Padre Pio, the five Blasphemous and Satanic Masonic Trinities have been driven,** which symbolize the **“passion” “of Lucifer** to achieve his “supreme purpose” and his triumph over God! Here are the stages of this “passion”:

- **The Cult of Phallus** obtained with the **divinization of Nature**, symbolized by the Triple Trinity impressed on the structure of the temple.
- **The Cult of Man** that is obtained with the **divinization of Man**, symbolized by the Triple Trinity impressed as an ensemble on: the altar, the steps and glorious cross.
- **The Cult of Lucifer** obtained with the **deification of Lucifer**, symbolized by the Triple Trinity which was imprinted on the slab of 12 panels, where Lucifer replaces Christ as **“the redeemer of man.”**
- **Masonic Ecumenism**, the weapon for the **total elimination of the Sacrifice of Christ on the Cross**, symbolized by the Triple Trinity impressed on the 13th panel of the pelican that covers the Tabernacle, wherein we understand the Cross of Christ to be virtually crushed by the symbol of this Triple Trinity. This weapon consists in abolishing the true meaning of the Eucharist to replace it with another trivial meaning which would be acceptable to all other religions.
- **The Triumph of Lucifer** represented by the **stone cross** on the churchyard of the temple, with its **70 stones** (representing all the pagan peoples of the earth), in which all its oblique lines converge on the point at 50 m height, symbolizing the redemption of Lucifer. Completely obliterated the Sacrifice of Christ on the Cross from the face of the earth, at the center of the symbols of the divinization of Nature and the divinization of Man, **the Infinite Sun of Lucifer shines**, and the God-Man of the “church of Lucifer,” after having destroyed the Catholic authority, is fighting God with **Lucifer who has replaced Jesus Christ as “king of the universe.”**

FRANCIS TO SAN GIOVANNI ROTONDO?

What will Francis, “bishop of Rome,” do in San Giovanni Rotondo, in the month of March 2018?

What affinity can there be between a Saint who bore the five wounds of Christ for 50 years and a convicted felon by International Court, sentenced to 25 years in prison for Satanic ritual infanticide who, among other things, never loses an opportunity to **insult Jesus Christ, His Church, His faithful** and **who has now taken the final step to eliminate the Sacrifice of Christ on the Cross from the face of the earth?**

Is it perhaps to challenge St. Padre Pio as he did with Our Lady at Fatima on May 13, 2017? And why choose the day - March 18 (3rd month of the year)?

In the ritual of the 30th degree of the Ancient and Accepted Scottish Rite, the Mason burns incense to Lucifer, commits a ritual murder, tramples the Papal Tiara and shouts: **“Hatred to God!”** and **“War against God!”**. And the War against God and His Church is done with **Masonic Ecumenism**, that is building **“The New Tower of Babel”!** This is precisely the title of our issue of “Chiesa viva” 474 of September 2014, in which we proved that Francis “coat of arms” symbolizes the ritual of the 32nd degree of the Ancient and Accepted Scottish Rite of Freemasonry: **“The New Tower of Babel” the domination of Freemasonry**

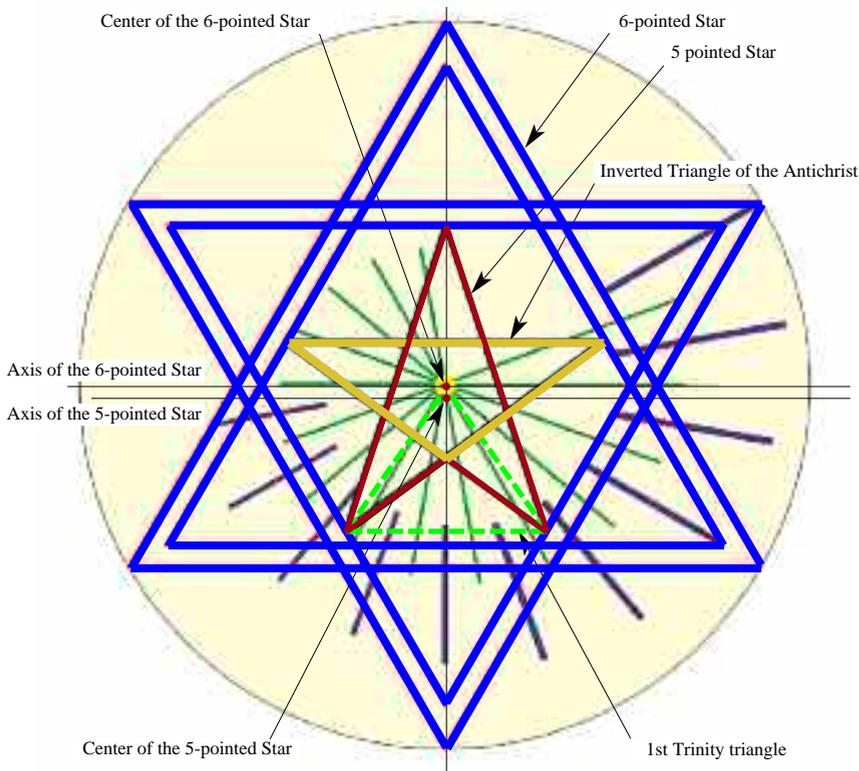

over the Church of Christ! And at the end of the study, we concluded with the words: **«The occult significance of the coat of arms is: Francis places his miter crown – a symbol of Lucifer and his Gnostic-Satanic-Masonic Redemption – on the head of the Jew and joins in his war of conquest and domination against the Catholic Church to rebuild a New Tower of Babel for the coming kingdom of Lucifer.»**

And the triumph of this kingdom of Lucifer over the Kingdom of God is symbolized precisely by the **“Stone Cross”** under which, Benedict VI celebrated a Mass, on June 21, 2009, after a hurricane had been unleashed on Rome, and, due to this inclement weather, after having to reach the Foggia airport by military plane (landing on the exact spot where the body of Padre Pio left for the United States) and then after having to then travel to San Giovanni Rotondo by car. The Mass ended with torrential flooding, followed by **hailstones as large as walnuts and with a sudden exodus of the Faithful**, so extreme that the television interrupted the transmission **“for technical failures”!**

Furthermore, it is also good to remind Francis that on July 2, 2017, **the apex of the “Stone Cross” was struck by a thunderbolt** that nearly demolished the 56th stone; **just that stone on which the Infinite Sun of Lucifer rests!**

Was this by chance or was this a **“sign” from God**, since the day of this event, according to the symbolism of the numbers, meant to draw the attention to three of His worst enemies: **Freemasonry**, the **Antichrist** and the **Infinite Sun of Lucifer?**

1st Triple Masonic Trinity: Divinization of Nature.

The Triple Trinity is imprinted on the structure of the Satanic Temple with the two series of lines: 15 internal (green) and 11 external (black). The axis of this geometry is that of the 6-pointed Star: the mystery communicated by Lucifer through the **Divinization of Nature**, is the **Cult of Phallus**, the **destruction of Catholic Virtue** and **Man without God**.

2nd Triple Masonic Trinity: Divinization of Man.

The Triple Trinity is imprinted on the altar, the overhanging glorious Cross and having as its center the head of the priest. The axis of this geometry is that of the 5-pointed Star: the mystery communicated by Lucifer through the **Divinization of Man**, is the **Cult of Man**, the **destruction of Catholic Morals** and **Man who makes himself God**.

3rd Triple Masonic Trinity: Divinization of Lucifer.

The Triple Trinity is imprinted on the tabernacle slab with 12 side panels (only 6 visible) that provide the lines and points to trace the 5 and 6-pointed Stars. The axis of this geometry is that of both the 5 and 6-pointed Stars: the mystery communicated by Lucifer through the **divinization of Lucifer** is the **Cult of Lucifer**, the **destruction of Catholic Authority** and **Man who fights God**. This Triple Trinity, shows **Lucifer** replacing Jesus Christ as the **“Redeemer of Man.”**

4th Triple Masonic Trinity: Masonic Ecumenism.

The Triple Trinity was imprinted on the 13th tile that covers the Tabernacle. In this geometry, the Triple Trinity is placed above the Christian Cross. The weapon for the total elimination of the Sacrifice of Christ on the Cross, is **Masonic Ecumenism** with the substitution of the true meaning of the Eucharist with another trivial meaning that can be accepted by all other religions. **Masonic Ecumenism** must lead to the **“New Tower of Babel.”**

THE TEMPLE OF THE "ECUMENICAL COUNTER-CHURCH" OF THE ANTICHRIST

50 symbolizes the redemption of Lucifer

The **Stone Cross** of the Satanic Temple dedicated to Padre Pio symbolizes the Triumph of Lucifer who, after his "passion": the divinization of Nature, of Man and of himself, presents himself as the "**redeemer of Man**" and after having totally eliminated the Sacrifice of Christ on the Cross from the face of the earth, makes his **Infinite Sun** shine.

The **70 stones** forming the **stone cross** symbolize the **New Tower of Babel** that the **World Government** wants to edify, in hatred to God, with **70 Pointed Cubic Stones** that symbolize the **Man-God (666)** of Masonry.

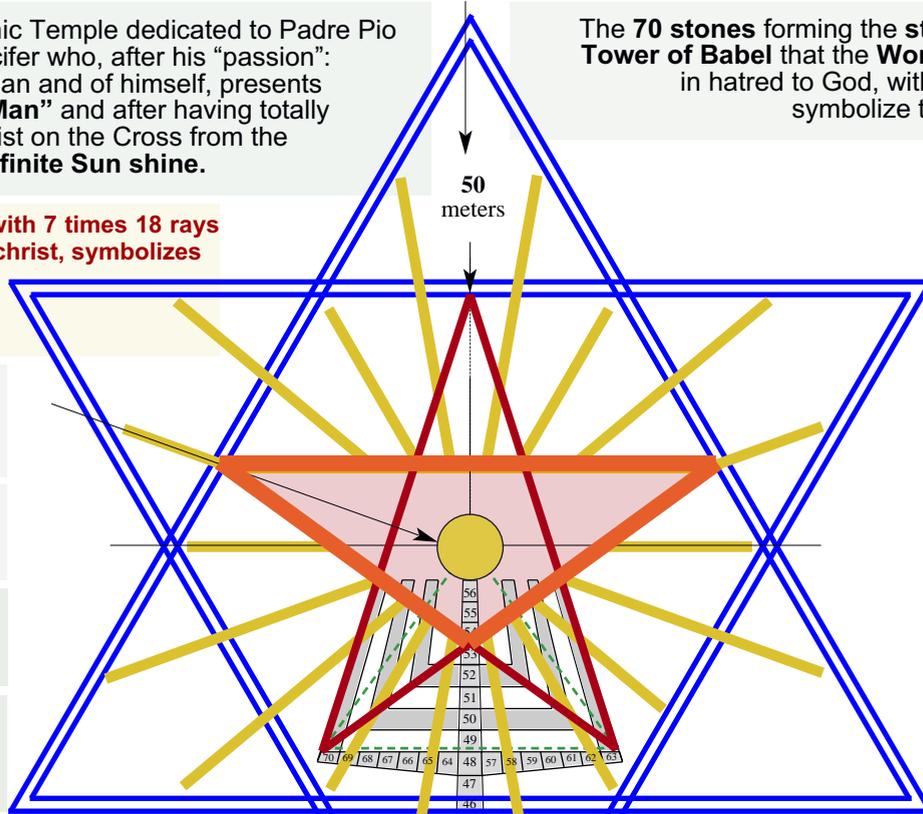

THE INFINITE SUN of Lucifer, with **7 times 18 rays (18 times 666)**, **7 times the Antichrist**, symbolizes **THE TOTAL ELIMINATION OF THE SACRIFICE OF CHRIST ON THE CROSS.**

THIRD TRINITY or ANTICHRIST
Inverted black Triangle with the central yellow circle at the center (All-seeing Eye of Lucifer).

SECOND TRINITY
6-pointed Star, 5-pointed Star and the Central Point.

FIRST TRINITY
Green Triangle, at the base of the 5-pointed Star.

The **base Triangle, 5-pointed Star and 6-pointed Star** symbolize the divinized matter, creation and humanity.

The Infinite Sun of Lucifer

formed by **7 times Antichrist** or by **7 times 18 (= 666)**
From the stones we have:

54 stones: $1 \times 666 = 54 \times 666$
48th stone: $2 \times 666 = 2 \times 666$
56th stone: $3 \times 666 = 3 \times 666$
14 later st.: $3 \times 666 = 42 \times 666$
Circle radius = 108 = 6×666
Circle center = 108 = 1×666
Total = **6 times 18 = 108 x 666**

The n. 108 equals **1 time 18**
Total = **7 times 18 (= 666)**
or by **7 times Antichrist**

Lucifer replaces Christ as "King of the Universe"!

THE "CHURCH OF LUCIFER"

Is formed by **Lucifer** and by the **70 Pointed Cubic Stones** that symbolize the four Masonic Obediences:

- Jewish Masonry of the B'nai B'rith:** stones n. 35-56;
- New and Reformed Palladic Rite:** stone n. 34;
- Ancient and Accepted Scottish Rite:** stones n. 1-33;
- Scottish Rite of Perfection (25 degrees):** side of **25 dm** of the stone n. 1.

The "**ecumenical counter-church**" of the **Antichrist**, represented by the 70 stones of the "stone cross", has at the top the Menorah of the Jewish Masonry of the B'nai B'rith, has, as its supreme goal, the **manifestation of the pure doctrine of Lucifer to the public** and uses the **Masonic Ecumenism** for the **total elimination of the Sacrifice of Christ on the Cross**, getting rid of the **Consecration** in the Catholic Mass.

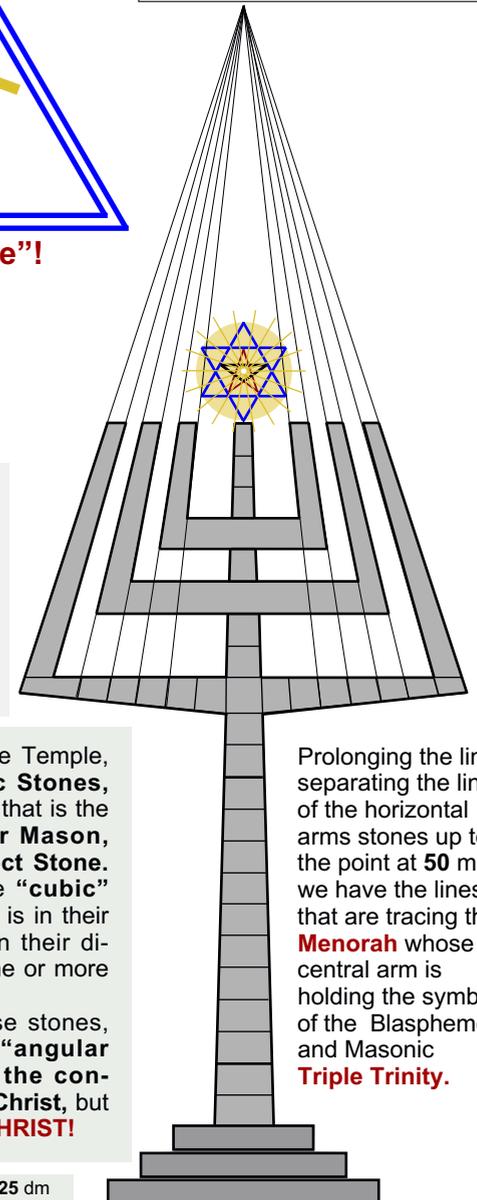

The Menorah is the symbol of the **Jewish Masonry of B'nai B'rith.**

The stones, used in the Temple, are **70 Pointed Cubic Stones**, symbolized by the **n° 7** that is the number of the **Master Mason, Perfect Man, or Perfect Stone**. The **perfection** of the "cubic" shape of all the stones is in their measures that, even in their diversity, **always give** one or more numbers **666**.

The reference for these stones, therefore, is not the "**angular stone discarded by the constructors**", i.e. **Jesus Christ**, but its opposite: the **ANTICHRIST!**

With the square 1st stone = 25 dm

Prolonging the lines separating the lines of the horizontal arms stones up to the point at 50 m, we have the lines that are tracing the **Menorah** whose central arm is holding the symbol of the **Blasphemous and Masonic Triple Trinity.**

5th Triple Masonic Trinity: **Triumph of Lucifer.**

The Stone Cross, made up of 70 stones (all the pagan peoples of the earth) has the oblique lines that converge on the point at 50 m height (the redemption of Lucifer). The **Triumph of Lucifer**: total elimination of the Sacrifice of Christ on the Cross, at the center of Nature and of the divinized Man, the **Infinite Sun of Lucifer** shines. The **Man-God** of the "church of Lucifer," destroyed the Catholic Authority, **fight**s God together with **Lucifer, who replaces Jesus Christ as "King of the Universe."**

Saint Padre Pio,
he will come, on the day that symbolizes
**THE HATRED AND WAR
AGAINST GOD,**
and he will be a convicted felon of
SATANIC RITUAL INFANTICIDE
who intends on canonizing the
**MANDATOR OF YOUR ASSASSINATION
AND WHO TRAMPLED ON
THE REDEMPTION OF CHRIST**
to manifest to the World,
in the shadow of that “stone cross”,
the pure and Satanic doctrine of the
**INFINITE SUN OF LUCIFER
FROM WHICH WILL FOLLOW
THE TOTAL DESTRUCTION
OF THE CATHOLIC CHURCH!**

Saint Padre Pio,
one day, you made this promise:

**«I WILL MAKE MORE
CRUSHING NOISE
WHEN I WILL BE DEAD
THAN WHEN I WAS ALIVE!».**

Saint Padre Pio,
**FOR 50 YEARS
YOU BORE THE WOUNDS
OF THE SACRIFICE OF CHRIST
ON THE CROSS,**
if this is the day you were waiting for
we implore you:

**KEEP YOUR PROMISE
LET US HEAR YOUR FORETOLD
CRUSHING NOISE!**
